I SIMULTANEOUS REVIVALS We had 27 churches sharing in the Fall revivals in the Fall of '53. These revivals were well attended and souls saved.

II TRAINING UNION "M" NIGHT MEETINGS On Monday Night December 7, 1953 we had 137 people from 11 churches at Leland in our "M", Night Meeting for Training Union. We had Rev. Henry Register to speak for us that night. Another Mass Meeting of the Training Union was held in September with the Shallotte Baptist Church.

III VACATION BIBLE SCHOOL CLINICS Our first V.B.S. Clinic this year was held with Mill Creek Baptist Church with 8 churches represented and the second one was held with the Mt. Pisgah Church with 11 churches represented. We believe we have had our best Vacation Bible School season with all the churches in the Brunswick having a Vacation Bible School and one Mission School in the Association. Yes, we were 100% in V.B.S. this year. Thanks to Mrs. Ned Huffman and to our leaders in the clinic.

IV SUNDAY SCHOOL MEETINGS Our goal for "A Million More In '54" in the Southern Baptist Convention has reached its peak Our people in the Brunswick enrolled 587 new pupils in Sunday Schools this year. We had our portion of "A Million More In '54." Two Mass Meetings were held one at Bolivia in the Spring and Southport in the Fall.

V WOMAN'S MISSIONARY UNION We have had a most encouraging year in W.M.U. now that we have a complete family (W.M.S., Y.W.A., R.A., G.A., Sunbeams and Brotherhood) we feel that our work will continue to grow. Our Annual Meeting, Leadership Conferences and Institutes were most helpful and the inspiration received from our State Workers will continue to inspire us as we "Labor to-gether with God."

VI A GOOD YEAR We believe this has been our greatest year yet in the Brunswick Association. We see growth on every hand, and we get reports of progress continually. Let us not slacken our pace. The task is far from complete. The Master bids us to push onward into the "Fields white already unto harvest."

Respectfully submitted,

Mrs. Margaret McRackan, Missionary

BIBLICAL RECORDER REPORT

Brother Moderator:

We are happy to report that we have a slight increase in our Biblical Recorder subscriptions in our association this year. Reports show that we have 12 churches with Recorder Clubs. Some on the club plan, others on the every family plan, and individual subscriptions. Total about 175 subscriptions in the association.

Although the Recorder is finding its way into many homes the total is still far too low. We have 12 churches without a single copy going into the homes.

Once a great layman said, "If you want to enlist your people, inform their heads, warm their hearts, and challenge their capacities."

The Prophet Hosea said, "My people perish for lack of knowledge." Today the devil is exploiting as never before, the power of the printed word. With the Biblical Recorder in reach of every home today, there is little excuse for any Baptist to suffer from "lack of knowledge" of the great work being done for the Lord by our 700,000 members of 3,050 churches in this great Baptist State.

God grant that the goal of each church this year will be "More Biblical Recorders than ever before."

Respectfully submitted,
Ruth Ludlum
Biblical Recorder Representative

REPORT OF BRUNSWICK ASSOCIATION BROTHERHOOD

A Brotherhood in a local Baptist Church is a group of men, preferably all of the men in a Baptist Church, seventeen years old and above, banded together for the purpose of promoting the Kingdom of Christ through the Church and Denomination.

We have in N. C. seven hundred and sixty-eight Brotherhoods at present representing over forty-five thousand men. Our Secretary for N. C. is Mr. Horace Easom, and his office is located at Shelby. During 1954 Brother Easom has given one-half of his time to Brotherhood Work and the other half to the Baptist Foundation. The Associational Brotherhood meets quarterly and the Regional and State Brotherhood Organizations meet annually. Forty-two of the seventy-two Associa-

tions and two of the Ten Regions have been organized thus far. Brotherhood Retreats were held this summer at Caswell, Fruitland, and Ridgecrest Baptist Assemblies.

The following Churches in our Association have Brotherhoods: Elah, Farmer's Chapel, Friendship, Lebanon, Leland, Soldier Bay, and Southport.

A Supper Meeting was served at Caswell the first week in July to Pastors and Laymen from churches in Brunswick Association. Our State Brotherhood secretary was present and presented the work of the Brotherhood. Eleven churches asked for Brotherhoods to be set up, and with the co-operation of Mr. Easom, Mrs. McRackan, and our Associational Brotherhood President, we hope to reach this goal. As a larger goal they hope to reach all the churches of the Association.

The Baptist Brotherhood operates in the promotion of the New Birth, Spiritual Projects, and in Special Programs on Denominational Calendar.

The most vital and fruitful periods in the history of the Christian Church have been those in which Laymen have most vividly realized and most earnestly sought to discharge their responsibility to propogate the Christian faith. The full enlistment and utilization of the men for Christ is the greatest challenge facing Southern Baptists. One might be so bold as to say that the work of our churches and denomination will progress in direct proportion to the number of men who are reached, challenged, and utilized for the Master.

Respectfully submitted,
J. E. Gilbert

CASWELL ASSEMBLY REPORT

The Caswell Baptist Assembly was located in the Southeast to bring to our people of this section the best in Christian training and spiritual uplifting. The Assembly has been staffed with consecrated Christian leaders and lay people.

Our Association is fortunate in having this great institution within our border. It places upon us a greater responsibility to take full advantage of its programs for spiritual growth.

Our Association is reaping many of the benefits offered under the leadership of the Associational Missionary and Departmental leaders. It is estimated that over 500 of our church people took part in some of the programs offered during the past summer.

It is particularly encouraging to note that 167 attended the Mother-Daughter Banquet held at the Assembly. Also that 105 attending the over-night R. A. Camp held there for the first time. Then there were 161 at the Brotherhood Rally. Much fruit will be borne as a result of these associational activities. It is the hope of all our leaders that more of our people will attend the Assembly next summer and in future years.

The three weeks pastor conference is rendering a great service to our preachers and giving them a greater knowledge of Christ's teachings.

Respectfully submitted,

A. S. Knowles, Assembly Repretestative

REPORT ON CHRISTIAN EDUCATION

A report on Christian education is a large order if we consider all of our institutions in the Southern Baptist Convention, including five seminaries for white ministerial students, one for negro ministers, the Carver School of Missionary training, fifty-two junior and senior colleges and ten academies and bible schools. All of these institutions have a total enrollment of 41,303 students, and an additional 10,357 students enrolled in extension work. The property value of these institutions is $97,000,000 and they have a total endowment of $17,000,000.

We should remember that only our seminaries receive financial support from the Southern Baptist Convention. The colleges and bible schools receive their support from local groups, student fees, and their respective state conventions.

We are happy to have one of our southwide institutions, the Southeastern Baptist Theological Seminary, in our state. It will soon be beginning its fourth year of operation. A strong faculty has been assembled and splendid work is being done with the students. Of course, the largest percent of the student body is from North Carolina. We commend the work of Dr. S. L. Stealy and his fine faculty.

With this general information on a Southwide basis, let us now consider our program of North Carolina Baptist in the field of Christian education. North Carolina Baptists have seven colleges, two senior: Wake Forest and Meredith; and five junior: Mars Hill, Gardner-Webb, Campbell, Wingate and Chowan.

The 422 ministerial students enrolled in these seven colleges represent approximately 10% of the total student body. In addition to this number, there are some 300 student volunteers being trained for full-time Christian service.

These seven colleges have an annual operation budget of approxi-

mately $4,000,000. North Carolina Baptist through the Cooperative Program, make available $400,000 to aid these colleges with their operating costs, which is exactly 10% of the total operating expenditures, or a little less than $100 per student for the year. In addition to this financial aid for operating costs, in its present Nine-Year Advance Program the Convention is providing another $200,000 to help the colleges with their capital outlay or building programs.

We would remind you, however, that these institutions and the funds for their support are but means to the end that we may train young men and young women to be able to take their places in our world not only as pastors and leaders in all departments of the work of our churches, but as Christian citizens in a society that is sorely lacking in spiritual qualities or tendencies. Let it be said to the credit of Baptist that they have been pioneers in the support of public education for all the children of the state. As the masses of the people become more intelligent and better trained through the improved educaional opportunities provided by the state, Baptist have tried to make available a sufficient number of well educated men and women to permeate this enlightened society with Christian thought and a Christian philosophy of life.

The sincere question that should face the churches of Brunswick Baptist Association is "What part are we having in this Christian education program?" Have we informed our members about our institutions? Have we encouraged our own students to attend our Baptist schools? Have we supported them with our money, our prayers, and our personal interest?

Surely we must never lose our Christian colleges and seminaries. We must fortify them, endow them, and encourage them in every way possible.

Respectfully submitted,

Rev. Leo Hawkins

REPORT OF FINANCE COMMITTEE

The letters of all the churches of the Brunswick Baptist Association were examined for the report relating to the minute fund. No payment for this purpose was made by Town Creek, Jennie's Branch, Leland, Mt. Pisgah, New Life, Bethel, Cool Run, or Oak Grove, though Town Creek, Jennie's Branch, Leland, Mt. Pisgah, and New Life made pledges.

From those churches contributing there has been a total payment of $179.75. The additional pledges, though not enclosed with the letters, total $48.00.

NORTH CAROLINA BAPTIST HOMES FOR AGING

The youngest member of our Baptist family of Institutions, the North Carolina Baptist Homes, Inc., have had their best year since it began operating March 16, 1951.

Rest Haven, Winston Salem, with space for 20 residents has been filled to capacity. Our new home at Albemarle is now going into full swing. The number of inquiries for rooms has increased into the hundreds.

The response to the first Special Day offering for the Home was most encouraging. More than half of our 3,055 Baptist Churches responded. About seventy-five per cent of the amount came from the smaller churches.

Considering the short time our Homes have been operating (3 years) and the fact that this was the first opportunity to appeal to our churches for special offerings, all of us should be encouraged by the wonderful response.

There are many evidences of increasing interest in our Homes. Pastors, conducting worship services, have brought delegations from their churches to share the inspiration of worship with our residents. Auxiliary and Sunday school groups have frequently visited us to conduct devotional services. Gifts of supplies and cash are often received from these various organizations.

Since Southern Baptists now number more than 8,000,000 members, with thousands of our constituency now over 65 years of age, we should keep in mind the great number of our elderly brethren who need a home to provide security, comfort, congeniality, and a Christian ministry. Our North Carolina Baptists are able to meet the challenge to make adequate provision for the aging, and as "laborers together with God", we can meet it.

"Cast me not off in the time of old age; forsake me not when my strength faileth"—Psalms 71:9.

REPORT OF NORTH CAROLINA BAPTIST HOSPITAL

Teaching and Healing, two of the principal precepts of Christ's ministry, are the main objectives of your Baptist Hospital, which together with the Bowman Gray School of Medicine of Wake Forest College, forms the medical center of North Carolina Baptists.

The N. C. Baptist Hospital was incorporated in 1922 and received its first patient on May 28, 1923. The present site of eleven acres is located in the Ardmore section of Winston-Salem.

Originally built as an 80-bed institution, the Hospital was enlarged in 1942 to a capacity of 250 beds and 50 basinets. A Nurses Home, Out-Patient Building, new West Wing, Children's Wing, and Laundry building have been added to the original plant. The Medical School was built adjoining the Hospital in 1941.

The New South Wing is now being used as the construction is completed and the equipment is secured. It will increase the capacity of the Hospital to 450 beds, including basinets.

The Hospital has a School of Nursing which is fully approved by the North Carolina Board of Nurse Examiners.

The out-Patient Department is operated for the benefit of persons who are not financially able to pay the total cost of the medical service they need.

A Premature Nursery is operated by the Hospital for the care of infants weighing less than five pounds when they are born. a large per cent of whom cannot live without such specialized care.

The Private Diagnostic Clinic located in the Medical Building serves those patients who are able to pay for examinations.

Free hospitalization for regularly-ordained ministers and missionaries who devote their full time to the ministry is provided through the Out-Patient Department.

Funds received each year in Mother's Day Offerings are used exclusively to help pay the hospital expenses of those patients who can pay only a part of the hospital cost and for those who can pay nothing at all. All persons are expected to pay such part of the cost as they are able.

In addition to the Mother's Day Offerings, Woman's Missionary Unions, through linen showers, provide linens and funds for the purchase of linens to be used in the care of patients in the Hospital Approximately forty per cent of the bed-patient care and all service rendered through the Out-Patient Department was done without the charge of doctor's fees and with the assistance of the Mother's Day Offering.

Our Brunswick Association can be recommended for it's fine work during 1954. All its Churches gave offerings except five. Let us make our Mother's Day Offering 100 per cent this year. The part we play in ministering to the sick is determined by our gifts.

Respectfully sumbitted
Mrs. Josie McBride

NORTH CAROLINA BAPTIST ORPHANAGE

We commend General Superintendent W. C. Reed and the Superintendents of Kennedy Home, W. A. Smith and Mills Home C. A. Kearns, for their faithful and efficient administration of the affairs of the above institutions. Our homes are now caring for nearly 1000 children. The care and training they are receiving, is preparing them to be able to take their places in life as well as is possible in any institution.

Many excellent improvements in buildings and equipment have been added in the past year at the homes. These improvements have been made possible through the love and generosity of men and women of the State who have this great work on their hearts, and we wish to

record our appreciation for their unselfish contributions for our children.

We are so grateful that the churches of the Brunswick Association have had a part in this great undertaking by remembering our special offering to our orphanages.

Respectfully submitted,
Mrs. George Swain
Orphanage Representative

REPORT OF RESOLUTIONS COMMITTEE

On this the 21st day of October, 1954, be it resolved by the Brunswick Baptist Association:

2) That we express our appreciation to the pastors and all the people of the Mt. Pisgah Baptist Church and the Bolivia Baptist Church for freely offering all their facilities to our associational meeting and for providing the two bountiful noon meals.

3) That we express our appreciation to all the outside speakers and denominational leaders who have come to inform us and inspire us. To them we express our cooperation in all phases of our state and southwide Baptist work.

REPORT ON SUNDAY SCHOOLS

The Sunday School has been recognized more this year than ever before as the chief agency of our churches in evangelism, teaching and enlistment. Our major emphasis for Baptist of the Southern Baptist Convention has been to enroll "A Million More in '54" in our Sunday Schools. Right of way has been given for this and now the greatest Sunday School enlargement program has taken place. Thanks be to God and our faithful stewards we have reached our goal.

Our State Sunday School secretary L. L. Morgan reports gains this year that are almost unbelieveable and the step-up in awards have been encouraging. It is expected that the number of Vacation Bible Schools will far exceed any report that we have ever had. We are reporting in our association 100% Vacation Bible Schools this year. Our net gain in Sunday School enrollment has been better than 586 new pupils.

Our two Sunday School associational wide rallys were well attended. We wish to thank every one that took part in these programs.

We wish to adopt our new theme for the coming year, "let us go on" and win these pupils we have gained on our rolls for Christ and His service. We can do all things through Christ who "strengthens us".

Respectfully submitted,
Lee Sullivan
Sunday School Superintendent

REPORT ON TEMPERANCE AND PUBLIC MORALS

As far back as histery is recorded, the issue and problem of Morals and Temperance have been in the limelight as some of our greatest concerns, as a church and as a nation. The Bible has much to say about these subjects. From our pulpits and the Public Press we are reminded daily of the seriousness of the complicatfons which result from the lack of these. When we think of Temperance, we visualize Moderation, Patience, Sobriety and Abstinence; and Morals as having to do with the conduct of our lives. It requires no stretch of the imagination to see that these two are synonymous, and actually go hand in hand. In our every day living we all recognize experiences that develop into conditions of intemperance. These can occur in our thinking, our feelings and business as well as our social activities. Any of these that reach beyond the bounds of reasonableness come into this classification. In such conduct we damage our minds to a point where it is not difficult the next time to let our emotions go beyond the point of sensibility. Such practices will eventually break down all barriers to clear and sound thinking, which only can offer us a sober and realistic decision. This application will hold true in all phases of every day life.

As the whole Christian Church comes to grips with these problems with which we are confronted we feel like saying as of old, "Watchman, what of the night?" We would like to be able to say that the dawn is in sight, and that the wave of evil is receding. How can we, as we look on every hand at the public moral condition? The night indeed is dark!

Crime is costing you and me, Mr. and Mrs. Taxpayer of the United States, more than 15 billions of dollars annually. When we see the figures indicating the cost for educating our children is about four billion, we ask ourselves the question, "Whither are we bound." The figures on religious and benificent causes is 2% of our income, while our liquor bill runs eight and one-half billion dollars per year. This is not considering the billions spent on gambling and immoral literature. We as so-calied Christian Americans have cause to hang our heads in shame when we learn that there are more of our young girls who serve as barmaids than are enrolled in colleges.

As far as the liquor problem is concerned, if the professing Christian had voted as God would have had him vote, this problem would not have been as bad as it is. We listened to our corrupt politicians and now we have the infamous ABC Stores. The whiskey from the ABC Stores is just as dangerous as from any other store. I know the old argument that it brings in revenue to our State. It is just as morally wrong for the State to sell whiskey as it is for the individual to sell it. In face when the State is in the business, it puts every voting citizen in the business also. It is high time that we as Christian citizens speak up, and speak so loudly that our voices shall be heard from Murphy to Manteo.

The question may be asked, "Is there no ray of sunshine in sight?" Yes, there is sunshine and hope for the future, when Christians, both laymen and preachers, get down to business for the Lord. There was

a time when there was no distinction between the Layman and the Preacher. In the early Church every Christian was supposed to be a witness of the Good News. We need Christians with the Courage, Backbone and Conviction to stand up and do the right thing. God give us men and women like this in a time of turmoil, sin and strife.

Respectfully submitted,
F. William Naylor

TRAINING UNION REPORT

The year 1953-1954 has passed and as we look back we see that we had more people attending meetings, more churches observing Youth Week, more churches having study courses, and more members participating in our Training Union Programs.

The Associational Training Union held 2 mass meetings, 3 officers and leaders council and three executive meetings with a good attendance.

Our Association was represented at the Regional meeting at Wallace. We had six churches represented with 19 people from these churches. Two of our Young People participated. We sincerely hope that another year will find us participating in all the contests. We feel that our people can read, sing and recite as well as any group that was represented this year at the Regional meeting.

During 1953-1954, the Southern Baptist Convention is making an effort to reach 3,000 churches that now have no Training Union. Of this number, 11 are in Brunswick County. So far this year the Brunswick Association has reached and organized 4 new Unions. We still lack 9 churches in Brunswick that do not have Training Unions.

You and I have the responsibility of going into these churches and helping them to organize training Unions, taking as our responsibility the teaching of a study course and the continued fostering of the Training Union in that Church.

We need to check carefully into our training program and see where we can improve our work, and be prepared for the great task ahead.

We acknowledge with a grateful heart the loyalty and cooperation of the Associational officers, pastors and leaders in the local churches. May the time soon come when every Baptist Church in Brunswick county will have a real Training Union.

Respectfully submitted,
Mrs. Reba Sellers
Training Union Director

W. M. U. REPORT

Brother Moderator:

We would not fail to say that part, and a great part of this report belongs to Mrs. Dennis R. Hewett who served as Associational Superintendent part of this year. To her we extend many thanks.

Should we try we could not put in words or figures, the value of the service rendered to the W. M. U. by our faithful and untiring mission-

anry, Mrs. Margaret McRackan. Our love and gratitude are extended to her today for these kindnesses.

We have learned that serving the Lord together creates progress and keeps our souls constantly filled with the desire for greater things.

We are happy to report that our women are becoming more mission minded. We are giving more of our time to mission study and Institutes. Through these meetings we hope that we will become better acquainted with our missionaries and their different fields of work.

God is constantly calling for men and women to this field of service. Pray with us that boys and girls in Brunswick Association will surrender their lives to Him and answer the call.

Time and space would not allow us to give a full report on the rich information and inspiring message during our W. M. U. Conference at Caswell this summer. Souls were filled with determination to go forward into greater service for the master.

Since youth is our hope for tomorrow we will report with pride, that our young people are showing more interest. Mrs. Gola McKeithan, R. A. Counselor and Mrs. Lindsey Clemmons, Young People Leader, have done a marvelous job, providing entertainment and soul-stirring lectures for R. A.'s and young people.

The over-night camp at Caswell Assembly was another inspiration for the children. Fun and frolic and the quite hours of worship had great impression on the young folk.

It would not be fitting to forget the Mother-Daughter Banquet, with emphasis being placed on soul winning and service.

Reports show that many of our women are becoming more mission-minded and tithe-conscious and many of them happy to serve.

We have been happy to serve this year and will continue to be so, so long as we are to say, "Yea serve the Lord Christ".

Respectfully submitted,
Mrs. Claude Gore
Supt. W. M. U. Brunswick Assoc.

REPORT OF ASSOCIATIONAL R. A. COUNSELOR "ON THE HIGHWAY OF THE KING"

Another year of Royal Ambassador work has past. As I looked over the records I sought to find a word that would express my feelings about the years work—and then it came; the word was joy.

It was joy to work with local counselors in the Brunswick Association, and with the leaders of our state. During the year many new counselors found the R. A. Chapter as a place of service, for we had two new chapters this year. At the end of the year we had a total of fifteen chapters.

In the matter of membership we show a small gain this year of 132 from last year to 175 this year. While greater quality of work can be done in small groups, I hope we can increase the membership this year.

Associational R. A. meetings held this year:

One each of the following: Banquets; Leadership conferences; and overnight camps.

Recognition services, two—state meetings attended—three.

As we look over this record of the past year it is with gratitude to each local counselor who has found his chapter as a place of service. Boys will travel the kind of highway that adults make for them. Every church should be vitally interested in the kind of highways that open up before our boys. Let us pray that the church will see the highway our chapter opens up to our boys as they go forward in the R. A. work this year.

"Give of thy sons to bear the message glorious;
Give of thy wealth to spend them on their way;
Pour out thy souls for them in prayer victorious."

For God's leadership and blessings I am profoundly grateful. It is good to have the privilege of a 'place' in the outreach of Christian Missions through the R. A. work of North Carolina.

Respectfully submitted,
Mrs. L. J. McKeithan
Associational R. A. Counselor

REPORT OF ASSOCIATIONAL YOUNG PEOPLE'S LEADER

As the Missionary Society brings news of the work of our association to you, I bring the Young People's Missionary Organizations as we try to make them eager to obey Christ's words, "Seek ye first the Kingdom". Our young people will be needed as Christian business men and women, Ministers, teachers, and missionaries of tomorrow.

We have young people's organizations in 16 of our 28 churches. We have two churches that have organized all the young people's organizations this year. We have three A-1 organizations: Leland G. A., Leland S. B., and Mt. Olive G. A. It is impossible to report the personal joy that was mine during the year, first in our Leadership Conference, Father-Son Banquet at Mill Creek Church, Mother-Daughter Banquet at Caswell. We had 248 of our mothers and daughters present. Mrs. A. T. Greene of Wilmington brought the message, "In God's Flower Garden". We also had a rally at Chapel Hill Church that was well-attended by most of our churches. Our young people's Overnight Camp was held at Caswell this year, due to stormy weather we only had 101 present.

Rev. Richard McDuffie was our camp Pastor, Mrs. Claude Gore, Camp Mother.

Rev. Harold Gore and Rev. Icard brought our message Saturday. Nine young people asked for prayer, and five accepted Jesus as their Saviour.

William Carey's great words is a timely motto: "Expect great things from God, attempt great things for God". Here we find the message for each director, counselor and leader.

I want to thank our Pastors, Mrs. McRackan, and each of our leaders that have worked so untiringly this year to make our work a success. I solicit the prayers of every one in behalf of our young people's work.

Respectfully submitted,
Mrs. Lindsey Clemmons
Young People's Leader

ANNUAL BUDGET FOR 1955-1956

Associational Workers Salary	$3,000.00
Associational Workers Travel Expense	600.00
Convention Expense Allowance	150.00
Printing Associational Minutes	200.00
Associational Workers Supplies	75.00
General Associational Supplies	25.00
TOTAL	$4,050.00

ESTIMATED RECEIPTS

Receipts with Church Letters	$ 200.00
Receipts from State Board	1,080.00
Receipts from Churches	2,770.00
TOTAL	$4,050.00

The Budget for the previous year was prepared for collections from the Churches to total $2995.00. Of this amount the Churches have contributed $2,322.74, making a deficit of $672.26. This means that several of the items adopted in the Budget have not been paid.

Gospel Center, Jennies Branch, Leland, Old Shallotte, Soldier Bay, Southport and Town Creek increased their contributions to the Associational Program during the past year. Boones Neck, Bolivia, Farmers

Chapel, Mount Olive and Sabbath Home contributed the same amount to the Associational Program as they did last year. Antioch, Beulah, Elah, Friendship, Goshen, Lebanon, Mill Creek, Mt. Pisgah, Prospect, Shallotte First Church and Supply contributed less than they did last year. Bethel, Bowden Memorial, Longwood, New Life, Oak Grove and Ocean View did not make any contribution to the Associational Program for the past year.

The Budget, as followed by the Association for the past several years, provides for an average contribution throughout the Association of a fraction more than $1.00 per church member in the Association. Either the Churches must awaken to their responsibility, as members of the Association, or the Budget will have to be curtailed. The tragedy of the Associational Program is that approximately one out of every five churches in the Association is not supporting the Program.

The Budget Committee recommends that an effort be made to get the Associational Minutes at the cheapest possible amount and that the number of printed copies not be an arbitrary amount but rather the basic number of copies actually needed in the various churches. The Minute Fund should be self supporting, and a church should not receive more copies of the minutes than their Minute Fund contribution with the letter will purchase, based on the cost of printing.

ASSOCIATIONAL MISSIONARY'S REPORT

Mere words and a number of figures seem so inadequate when one comes to writing a report of "the Doings" of a Missionary, but since I have no other means of giving my report I shall use them.

The past year was a full and happy one as I traveled the many miles over this wide and long association. Churches have responded and pastor and people have greatly aided in promoting the Kingdom of God in our Association.

I am deeply grateful to each of you as we have "Labored together" in our Sunday Schools, Training Unions, Brotherhoods, Woman's Missionary Unions, Youth Meetings, Prayer Services and Worship Periods. These have all been fine but the heart of all my work as your Missionary is Witnessing in and through these services and personal visitation for my Lord and Saviour, Jesus Christ. This is not only my task, however, but every one of you who have accepted the Lord Jesus Christ should accept the Great Challenge He has left for us to do. We are all His Stewards. Please let me urge each of you to witness more fervently.

Every day living is our greatest witness.

There are many things that can not be kept in a record book, but here are some of the things that your missionary would give to you about your work that she has been doing during the past twelve months.

Camp; Regional T. U. Tournament.

Now for a brief summary of major events of the year:

1. Evangelistic Crusade under the direction of Rev. Joe Stanley, Evangelism Chairman for the Association, Caused 28 of our 29 Churches to have Revivals of the highest sort. Church members were revived as well as sinners converted.

2. Vacation Bible Schools were held in all 29 Churches. Preparation through State Clinic, Associational Clinics, and Conferences aided these Schools. This makes 2 straight years of being 100%.

3. The Training Unions of the Brunswick Association were aided in having our State T. U. Staff for a week of study in the Manuals. "M" Night was held at Mill Creek.

4. Womans Missionary Union met the Standard this year in the Association an dreceived recognition at the State W. M. U. meeting for reaching our Standard and Goals in W. M. S. and Y. Peoples Organization for the past year.

The figures in this Report may sound like "just Statistics," but to be on the field to meet people, to know and love them, to work with them "that is Living."

REPORT OF ASSOCIATIONAL YOUNG PEOPLES' DIRECTOR

"Labourers together with God"

All through past months as varied opportunities for service have presented themselves, it has been a sobering and yet a reassuring thought to remember those words.

It is with warm thoughts and deep gratitude that I remember opportunities that presented themselves during the past year.

We have Young Peoples' organizations in 16 of our 29 churches. We have four new organizations this year—two G. A.'s, one Y. W. A., and one Sunbeam.

It is impossible for me to report the personal joy that was mine during the year as I worked with our boys and girls in their meetings —first in our Young Peoples' Rally and then in our Father-Son and Mother-Daughter Banquets held at Caswell, also our Young Peoples' Overnight Camp. Rev. Stanley Howard, our guest speaker, brought a most inspiring message on Friday night of our camp. While the pianist played "Let the Lower Lights be Burning", he painted a most beautiful picture on the screen—"The Light House." Rev. Joe Stanley was our Camp Pastor and Mrs. L. M. Clemmons was Camp Mother.

We would not forget to say that part of this report belongs to Mrs. L. M. Clemmons who served as Young Peoples' Director part of this year. To her we extend many thanks for the many years of untiring work with our young people.

Our love and gratitude are extended to our Associational Missionary, Mrs. Margaret McRackan, for the faithful and untiring service with our young people and their leaders. We are thankful for those who desire to move forward with Christ enough to join hands with Him and serve the Lord Jesus Christ. As we face the opportunities and responsibilities of a new year we are forward in the glad realization that His grace is sufficient for all needs.

May we covenant together in a definite way to pray for the young poeples' work that there may be a deep consciousness of His leadership as a new year is now before us.

Respectfully submitted,
Mrs. L. J. McKeithan,
Associational Y. P.'s Diretcor

BROTHERHOOD REPORT

The Brotherhood movement in the Brunswick Association has become firmly established, though there is yet much work to be done. Presently, there are Brotherhoods in the following churches: Bolivia, Bowdens Memorial, Elah, Farmers Chapel, Friendship, Lebanon, Leland, Mill Creek, Soldier Bay, Southport and Supply. My information is that all of these Brotherhoods are active with the possible exception of Friendship. Many of these have been recently established and the movement is progressively spreading.

During the past year your Brotherhood President attended the Regional Meeting in Fayetteville, the State Brotherhood Conference at Caswell Seaside Assembly and plans to attend the Brotherhood Meeting at State Convention in Asheville. In the latter part of September your President was successful in obtaining the services of the State Brotherhood President, Mr. Horace Easom, to come to the Brunswick Association and teach the people of Brunswick the Brotherhood Program and its merits. This meeting was divided into two divisions, the first being held at Leland and the last at Soldier Bay Church. Churches represented at these meetings included Bolivia, Boone's Neck, Shallotte First, Elah, Farmers Chapel, Friendship, Goshen, Gospel Center, Jennies Branch, Lebanon, Mill Creek, Leland, Mount Olive, Mt. Pisgah, Soldier Bay, Southport, Supply, Town Creek and four churches from the Old Dock Association. As a result of this meeting, one Brotherhood has already been formed and I am advised that yet another is in the process of formation.

The Brotherhood movement is directed primarily and exclusively to the enrolment and enlistment of the men in the Brunswick Churches in active Christian work within the churches and communities. It is the only work of this type where men can be brought into full Christian training and service not otherwise provided in our denomination. The work of the Brotherhood is unlimited in its scope and its influence will be felt throughout the entire Church Program in any Church that supports the movement.

Respectfully submitted,
E. J. Prevatte,
Associational President

REPORT OF CASWELL BAPTIST ASSEMBLY

We, the Brunswick Association, are fortunate beyond our realization in having a source of spiritual food and inspiration such as the Caswell Baptist Assembly in our midst. With Brother Redwine at the head and a full staff of consecrated Christian workers by his side, only the best can be expected.

The season opened this year with two weeks for Training Union with approximately 1500 enrolled for each week. Until this year's Assembly was disrupted by the hurricanes, it was having its most successful year with an enrolment of between 5,000 and 6,000.

With such a blessing as this within our border our responsibility becomes even greater to avail ourselves of every opportunity offered there. With several thousand young people in our churches, we as

parents and leaders owe to God, the church, the nation, ourselves, and these young people, to provide ample opportunity for them to be able to take advantage of these blessings which are brought to us. Unless we attend some of the conferences, it is impossible for us to know the spiritual uplift to be derived from them. An untold number of young lives have gone away from Caswell each year fully determined to give God their best. Will you give God and your young people your best by:

1. Attending next year, yourself,
2. Encouraging others to attend, and
3. Making it possible for some young person to attend who could not attend otherwise.

We are failing by far to make use of this great opportunity which has been brought into our midst.

Respectfully submitted,
Dennis R. Hewett

REPORT ON CHRISTIAN EDUCATION

DuNouy was right when he wrote "We get all our education at home, we get instruction away from home." The directions for a lifetime are determined in the home of each person. However, from the most ancient times, instruction, outside the family life has been regarded as necessary. One of the oldest writings in existence is the proclamation of the King of Erech establishing public schools for the children of his realm. The Jews from before the time of Christ have instructed their children in their numerous Synagogues. It is only natural and right that Baptist people with their own distinctive principles and heritage, should instruct their youth in their own schools.

The schools of a state are not qualified to instruct the children of Christian parents. They teach a way of living with God left out. They teach the development and training of the mind as the center of the individual. God's word reveals the heart as the physical and spiritual center of each person. The State seeks to prepare the child for a job—of the white collar type—to fit into a world of greedy competition. Christian instruction seeks to prepare the student for unselfish living in a bad world, that Jesus Christ and the Holy Scriptures are everything to be attained and lived.

Our Baptist Colleges of the state number seven (2 Senior and 5 Junior). There are Wake Forest, Meredith, Mars Hill, Chowan, Campbell, Gardner-Webb and Wingate. In these 7 colleges we seek to have the best prepared and consecrated teachers and leaders.

The president of the colleges are all men of high Christian character.

We can help our sons and daughters to choose their school among these. We will stand by our schools in their needs at the same time demanding that the teachers in our college be men and women who have first of all a new life in Jesus Christ and are not disloyal to Him and His Word. Otherwise, these young students receive an injection of doubt rather than strengthened faith in the person and word of our Lord.

Respectfully submitted,
Mrs. J. J. Hawes

REPORT OF FINANCE COMMITTEE

After examining the letters of all the churches we find all but four of our churches contributing to the minute fund. We have $226.85 cash and pledges amounting to $47.00. If these four churches honor their pledges we will have a total of $273.85.

Respectfully submitted,
Rev. Joe Stanley

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The North Carolina Baptist Homes for the aging began their fifth year of operation March 16, 1955. This has been a year of encouraging progress. Both homes, Resthaven and Albemarle, have had a continuing waiting list of applications. As soon as a vacancy occurs there are far more applicants for admission than can be accepted.

This year will be remembered as one of notable enlargement of facilities. Construction of the administration and residential building, costing $300,000.00, will get underway and it is expected to be completed by next fall. The new building will provide office facilities, dining room, kitchen, chapel, infirmary, recreational and handicraft space, and rooms for forty additional residents, thus raising the total capacity of the homes to 95 residents.

Increasing support on the part of our churches and denominational program gives great encouragement. So far this year the special day offering has reached almost $70,000.00. In addition, the homes will receive $39,850.00 from the convention as their part of the Nine Year Program. With increasing aid from the Convention the homes are helping a larger number who do not have sufficient funds with which to pay the cost of keep as residence. About 90% of all the residents are being helped by the homes.

Surely we North Carolina Baptists are grateful for the progress thus far. Let us rally to the challenge to render a greater ministry to the increasing number of aging friends who need the services of our homes.

Respectfully submitted,
Henry Register

REPORT OF THE NORTH CAROLINA BAPTIST HOSPITAL
Winston-Salem, N. C.

Our North Carolina Baptist Hospital is in its 33rd year of teaching, preaching, and healing. We now have a hospital of 400 beds and 50 bassinets In 1954 a total of 13,609 bed patients were treated, and 54,929 visits were made by patients to the Out-Patient Department. The hospial provided free service to the amount of $500,494.33 in 1954, in addition to free doctor's care to all service patients. This service was made possible mainly through the Mother's Day Offering .

A true story from our own County will show what our hospital does for people in need. During 1955 a young mother almost died in our local hospital when her second child was born. She was found to have a serious heart trouble, and after seven month was referred to our Bap-

tist Hospital, the Out-Patient Department. Her trouble was studied and a very difficult heart operation was performed. She was home in less than three weeks. Her husband, who was already weighted down with hospital bills, was surprised and happy when he found how little they asked him to pay. This young mother has been in Sunday School and church with her children almost every Sunday for the past three months.

Leo F. Hawkins

ORPHANAGE REPORT

During the past year your program of Child Care has moved steadily forward. Probably there has never been a year in the history of the Orphanage when the Children's needs were more adequately met.

God created the home as a place for children to live as they grow into maturity. The best institution is a poor substitute for a good Christian home. However, we are doing our best at your Children's Homes to make conditions as nearly like a normal home as possible. This is reflected in the fine spirit of your children.

During the year we cared for a total of 713 children. At the same time we gave services to and helped in the placement of more than 600 other children.

Your Orphanage publication, "Charity and Children," continues to reach our people all over the state in ever increasing numbers. It carries the message direct from the Orphanage to more than 47 thousand homes each week. Every church in the State should have a club of ten copies to be distributed in the Sunday School. The subscription price is 60 cents per year in clubs of 10 or more. Through "Charity and Children" you get so much for so little you just can't afford to miss it.

In 1954 our income from the churches was at an all-time high.

The Baptist State Convention voted for the Orphanage to come into the Cooperative Program beginning January 1, 1955. From the Cooperative Program it is to receive that part of its support not otherwise provided for. Under this plan the vast majority of the churches continue to send to the Orphanage the once-a-month offering just as in the past. Some, however, have put the Orphanage in their Cooperative Program budget. It looks as if about $60,000.00 of our income this year will be through Cooperative Program.

Under the new plan of support the Thanksgiving offering becomes more important than ever before. Any future expansion of your Child Care Program will depend largely upon this offering. Hence, the Orphanage representative in your Association along with every Pastor and Sunday School worker, is urged to try to get every church to promote a worthy "Thank Offering" this year. Urge each person to give at least "One Day's Pay" to help the host of homeless children who cannot possibly help themselves.

The true greatness of any group of people is measured largely in terms of the care, the training, and the religious attitudes it gives to its children. If we Baptists are to hear from our Saviour the words, "Well done, thou faithful servants," we will have to continue to min-

ister to the homeless and helpless children in our midst. Your faith and mine in the redeeming love and power of a merciful Saviour is all that stands between these little ones and utter destruction. We never have, we never will fail them.

Respectfully submitted,
Woodrow Russ
Orphanage Representative

REPORT OF RESOLUTIONS COMMITTEE

On this the 20th day of October, 1955, be it resolved by the Brunswick Baptist Association:

1. That we express our appreciation to the pastors and all the people of the Mill Creek Baptist Church and the Friendship Baptist Church for freely offering all their facilities to our associational meeting and for providing the two bountiful noon meals.

2. That we express our appreciation to all the outside speakers and denominational leaders who have come to inform us and inspire us. To them we express our cooperation in all phases of our state and Southwide Baptist work.

Respectfully submitted,
Rev. J. D. Hales, Jr.

REPORT OF R. A. COUNSELOR

In the very out set of this report I must say that I have only been Counselor for six months; the other six months of leadership was under the able direction of Mrs. L. J. McKeithan. Therefore much of this report is the work that she has done and the support she has received from the local counselors. The Counselors, for the most part, have worked hard with their chapters. Thanks to them and to Mrs. McKeithan and Mrs. McRackan, our Associational Missionary, for promoting the Royal Ambassador Chapters in our Association.

Associational R. A. Meetings held this year:

Leadership Conference	Lebanon Church
Associational W. M. U. Meeting	Goshen Church
R. A. Father-Son Banquet	Caswell
Caswell Overnight Camp	Caswell
Recognition Services	2
State Meetings Attended	3

Now that the Great Father-Son Movement is underway we hope to move forward with our boys. Most of our Brotherhoods are planning (and some already have) to take over all R. A. Work in the near future.

We hope to have a wonderful task in front of us. A Great Challenge is to do something for our men of Tomorrow by aiding our boys of today. This work cannot be done by talking, but it must be done by loving, planning, praying, and working with and for our R. A's.

Respectfully submitted,
Walter Harper

REPORT ON TEMPERANCE AND PUBLIC MORALS

We are faced today with a problem that is as old as time, and is growing more acute as times goes on. Each one of us as Christians should be deeply concerned with what alcohol and low moral living are doing to our churches and our nation. Let us consider what the use of beverage alcohol is doing to our homes and to the nation. We learn that about 75% of our men and 56% of our women spend a total of ten billion dollars per year for alcohol, 83% of the children new being received in the Baptist Children's Home in our state come from homes broken by the use of this deadly poison. Let us realize that alcohol is a narcotic drug and is therefore able to weaken the will power and therefore lower the morals of the user.

The solution is Christ. It is our duty as parents to lead our children to become followers of Christ, and thus give them the weapon they need to stand against this foe. To lead our children to faith in Christ is not enough. We must teach them what it means to follow Christ. The liquor industry making the progress it is with radio, magazines, movies, and television, we must increase our efforts to teach Christ and the Christian way of life. We must put the Word of God in the home. Let each of us say with Joshua of old, "As for me and my house, we will serve the Lord."

Let us unite our hearts together in constant prayer and work as we pray to win the lost for Christ. Last, but not least, let us vote as we pray to abolish this awful curse from our nation, that we may have the right to be called a Christian nation.

Respectfully submitted,
R. H. Kelly

TRAINING UNION REPORT

As the Associational year draws to a close we feel our short comings and our sins of omission weighing on us heavily. We so wish that we had accomplished more for our Master and Lord in His lovely vineyard He has so willingly given to us to take care of for Him.

Yet we are indeed thankful for the accomplishments we have attained this past year. All was not in vain and we feel that our Camp Theme "Thy Will My Will" has touched many hearts in our Association.

Our Association held two Mass Meetings again this year. The first being "M" Night held in the Mill Creek Baptist Church December 7. The second one was also held at Mill Creek the night after our week of Association wide Training Union Clinic. This Mass Meeting was our Tournament for choosing the ones to go to Wilmington for our Regional Tournament in April. Three of our five Y. P. took a part in this Regional Tournament.

Our weeks of steady using the manuals for all ages was led by our State Training Union Secretary, Mr. J. P. Morgan, and his staff of five women missionaries. Miss Sarah Hull, Associate Training Union Secretary of the state, led in several of the devotionals and song services of the week. This was the most helpful week we have experienced in our Training Union in the Brunswick Association. Mr. Morgan was well pleased with our set-up and the way our churches responded to this

study. We had 18 churches represented at this study with 141 awards given.

I'd like to thank Mrs. Rifton Sellers, Bill Keizrer, Rev. F. W. Naylor, Radway Sellers and Mrs. McRackan for the work they did to make this a most pleasant week for our State Workers.

Your Associational Director, with Mrs. McRackan and others, attended the Training Union Meeting in Goldsboro, Regional Meeting Wilmington, and Camp at Caswell.

We still haven't reached every church (29) with a Training Union. We also realize that much training is needed in leadership and a dire need is felt in our lack of training awards in our local churches.

May I ask you to covenant with me to pray more steadily, read God's Word fervently and intelligently, have more Training Courses, and Better Programs in our Training Unions this year.

Respectfully submitted,
Reba Sellers, Associational
Training Union Director

REPORT ON SUNDAY SCHOOLS
"Let Us Go On"

The theme "Let Us Go On" was adopted by our Sunday School Board after the marvelous progress we made in our goal for "A Million More in '54." So many people had been enrolled until the need was keenly felt for more space and more Departmentalizing in our Sunday Schools throughout the Southern Baptist Convention Territory. Therefore, North Carolina Baptist under the able leadership of Mr. L. L. Morgan our State Sunday School Secretary, Mr. D. P. Brooks and Mrs. Motley helped us to adopt the new slogan, "Let Us Go On" in North Carolina.

North Carolina Baptist (and we of the Brunswick Association help to make the 73 Associations which make up our State conventions) have accepted the challenge to go forward in Sunday School work.

We have two churches in the Brunswick Association that are fully Departmentized and several have one or more departments beginning to work successfully.

Our need now is Building Space—Many of our churches are in the planning stage for educational plants and other new sanctuaries. Two of the churches are planning to start a new pastorium. One will use the old parsonage for Sunday School rooms. Mt. Olive and Shallotte churches have renovated their present buildings. Several churches have added extra Sunday School rooms and more classes.

We also are in dire need of more Training classes in Sunday School work. This can be done by cooperating with our Associational Sunday School officers.

In our State Planning meeting held in Goldsboro in September, I pledge our full support to the program of our Sunday School work and with the help of God and your undivided support we must "go on" to stronger Sunday Schools in the coming year.

Respectfully submitted,
Lee Sullivan, Superintendent of
Brunswick Sunday Schools

W. M. U. REPORT

As we look back now we see that much has been done, but it makes our hearts heavy as we think of the things that could have been done, but has been left undone.

First of all I want to take this opportunity of thanking Mrs. Claude Gore for her untiring efforts and the work she did during the first six months of this year. We were sorry she could not serve as Associational Superintendent again this year.

Our Associational Missionary, Mrs. Margaret McRackan, has also helped me very much. I think it would almost have been impossible to carry on without her. My prayer to God is to give us more consecrated, dedicated women like these.

Let us not stop until we can say together that we are "Labourers together with God," 1 Cor. 3:9. We must not grow weary in well doing until "All the ends of the world shall remember and turn unto the Lord," Psalm 22:27. Won't you look with me now upon the fields that are already white unto harvest? Can you see the few laborers out there striving so hard to gather in souls for the Master?

We are very much in need of leaders for our Young Peoples' organizations, as well as our societies. Won't you that are sitting down on the job arise and join us? What answer are you going to give your Master when pay day comes, and you have not worked in His vineyard while He was away? We will not always have the opportunity to serve Him. Time is passing and we are growing older. What kind of leaders of tomorrow are you helping train today? May we all resolve in our hearts to do a better work another year.

If we were to have an aim for this year, it would be "Efficiency in our Work." We feel the need of this more and more.

From our Annual Report we find that we should be proud of the goals reached. You gave generously of your money this year. We sent almost one thousand dollars in our three special offerings alone. We are confident that this money will be spent in a way that will please our Saviour and will go much further than we can go ourselves. There is a place for each of us. Please don't leave yours vacant. The Lord willing your superintendent will visit each society during this year.

Our overnight camp was a success again this year. You sent us about 165 children. Everyone seemed to enjoy themselves, even the mosquitoes. We are looking forward to a bigger and better camp next year.

We want to thank those of you who attended our W. M. S. camp at Caswell in the summer. I know we are all busy, but let us plan to attend next year.

Your superintendent attended the State W. M. U. Executive Committee meeting in the spring and the State Leadership Conference at Fruitland in September.

Some of our ladies from the Southport W. M. U. attended the leadership conference at Meredith College in September. We have a very good representation at our Regional Meeting in Wilmington. Again, may

I thank each of you and say that I covet your prayers, and beg you to arise and hasten about our Lord's work while we have the time and opportunity.

Respectfully submitted,
Mrs. Leroy Hicks,
Supt. W. M. U.

HISTORICAL EVENTS

BOLIVIA has made plans for building educational addition to Church. They expect to start early in the new year.

ELAH started new auditorium building.

LEBANON went full time with a Pastor on the field. During the year the grounds were beautified, the building painted and a Brotherhood, a Sunbeam Band, and a Y. W. A. were organized.

LELAND called a new Pastor on April 3, 1955, and completed their Parsonage this year.

MT. OLIVE renovated the inside of their church, underpinned the building, and have made plans to paint the outside of the Church.

TOWN CREEK built a steeple and a front porch on church; called new Pastor on September 4, 1955.

ASSOCIATIONAL MISSIONARY'S REPORT

Highways, Roads, Paths and Trails have always fascinated me. Each one seems to reach out, saying come go with me and see where I go. So I traveled these highways as I have gone to State, Regional and Associational Meetings serving you as your associational Missionary.

The Highways were many and long, seven of them went to Annual State Conventions in Asheville. State W. M. U. Convention, Winston-Salem, and State V. B. S. Clinic, Fruitland and State G. A. Queens Court, Campbell, Associational Missionaries Conference, Caswell and State W. M. U. Executive Committee Meeting, Raleigh, and State S. S. Meeting, Durham. Highways again led us to our Regional Meetings; two Sunday School Meetings; three Training Union Meetings; five W. M. U. and Youth Meetings; one Dock Associational Meeting — Highways leading all the way from Murphy to Manteo.

Roads and lots of them took me all over the Brunswick Association. Traveling 34,050 miles, thirty-two Associational wide meetings were attended this year. Including — yearly assoc. meeting, W. M. U. Meeting, youth overnight Camp, Pastor's Conference, Executive Committee meetings, (S. School, T. Union, W. M. U.) Mission Study Institutes, Building Committees with L. L. Morgan. One week of School of Music, with Sec. of Music Rev. Joe Stroud, Bolivia. Union Meetings, T. U. Tournaments, T. U. "M" Night S. School, V. B. S. Clinic with twenty-nine Schools and one Mission School. Again for the third year in succession we have been 100 percent in Vacation Bible School.

All through the past months I have seen how great responsibilities and the rewards are for those who work with our children. And how it has sobered me to realize that it is from us that our children build their ideas of our world, their conception of human relationships, and yes, their thoughts of God and His plan for them. Thus it is that all through the years in our program of Missionary education we are trying to enlarge our own vision, develop our own talents, and deepen our Spiritual lives that we may awaken our Youth to the needs of our world.

The paths I traveled led to 368 group meetings where people were worshipping God, Teaching His Word, learning through Training, Studying to be better Followers and to be informed of world wide Missions, Organizing and Promoting, Counseling and Witnessing, Striving to do the things that are most pleasing in God's sight. That of Leading and Training our people in the Paths of Righteousness. (This is the Heart of Missions).

The Trails I have traveled have led to one of the most happy occasions of my life, knowing the individual through 1,351 conferences this year. These trails have led into homes I've never gone before, leading in Cottage Prayer, Personal witnessing, Hospitals, Home for Aging, Shutins, Lonely saints, Happy children and young people interested in love and living. Adult men and women interested in love and living. Adult men and women interested in Promoting God's Kingdom.

And so the trails, paths, roads and highways go ever on, up and down and across and I go with them, knowing that a new experience awaits me on each of them; when I'm not traveling my time is spent in preparing Programs and answering mail (2,850 letters, cards and programs prepared this year).

The Lord is greatly to be praised for His help in this His Service by His Servant.

Lead on, O King Eternal, we follow not with Fears:
For gladness breaks like morning where'er thy Face appears:
Thy Cross is lifted o'er us; we journey in its light:
The Crown awaits the conquest; Lead on, O God of Might.

Respectfully submitted,
Mrs. Margaret McRackan

REPORT OF ASSOCIATIONAL YOUNG PEOPLES' DIRECTOR

"Visions do not come by inspiration. They come from knowledge intelligently cultivated." Evaluate this statement from Tuate. Then turn to the Word of God and read: "Where there is no vision, the people perish." Proverbs 29:18.

In the light of world needs, how wide and how far-reaching is our vision of missions? Some of us have blurred visions; some of us have no missionary knowledge to cultivate.

Robert Frost once said to a group of his students, "I am not a teacher, but an awakener." Thus it is that all through the year in our program of missionary education we are trying to enlarge our own horizons, develop our own talents, and deepen our spiritual lives; that we might awaken our children to the needs of our world, that they might answer the great call of Christ, "go ye and be my witnesses."

As we look back over the past year, we bow in humble gratitude to our Father for the blessings of the year. Yet, there is a deep feeling of regret that more has not been accomplished. There is yet lack of leadership in the local church. Many of our churches have their doors closed to our young people's work. We are grateful to those who are training their young people in the way they should go. We have only made a dent in the possibilities that are ours. We are in desperate need of men and women who are willing to give their time and talents to the task. The harvest truly is plentious, but the laborers are few.

This year we had 103 Young People enrolled in our Association Mission study classes; 100 attending Young People's Rally; 275 attending Father-Son and Mother-Daughter Banquets; 323 attending overnight camp at Caswell, Sept. 21-22. All expenses were paid in full. Balance in Young People's Treasury is $12.34.

The summer regional camp at Caswell was well attended. We had two Queens that attended the Queens Court at Campbell College. The Leland R. A. Chapter attended the R. A. Congress. They gave a good report at the Young People's Rally. We now have two Ambassadors and five Queens in the Association. The Leland G. A.'s and R. A.'s, being the best all-round chapter in the Association, were recognized and presented Bibles at the Banquets.

As we face a New Year together we dedicate ourselves to our North Carolina watch-word: "For Ye Serve the Lord Christ." But we continue to pray for a more earnest and prayerful service of every member in our associaten as we "Labor Together With God."

Respectfully submitted,
Mrs. L. J. McKeithan
Young People's Director

BAPTIST STUDENT UNION REPORT

Approximately 20,000 Baptist students are enrolled in the 58 colleges and 32 schools of nursing in our state. Of this number approximately 4,000 Baptists are enrolled in our seven Baptist colleges. Nearly every Baptist Church has at least one student away from home in college. Historically Baptists have determined that Christian education be available for students from Baptist homes by establishing and operatng our Baptist colleges and by organizing, promoting, and supporting the Baptist Student Union.

WHAT IS THE BAPTIST STUDENT UNION?

Since 1921 the Baptist Student Union (better known as BSU) has been the denomination's program for Baptist students. It is a denominationally centered and church centered movement. It seeks to develop mature churchmen of deep personal faith who are prepared to make a

significant Christian contribution to the world in which they must live. Its fundamental purpose is Christian education undergirded by an understanding of and loyalty to the denomination and the local church. In state supported colleges it is frequently the only avenue of Christian education available to the denomination.

HOW DOES BAPTIST STUDENT UNION WORK?

Baptist Student Union works on three levels: southwide, statewide, and local campus. The Department of Student Work of the Sunday School Board provides literature and leadership for the movement over the South.

In the state BSU is promoted by the Department of Student Work of the Baptist State Convention under the leadership of Dr. Bruce E. Whitaker. He is assisted by Miss Miriam Hollis, Associate; Miss Bidney Dixon, Secretary; and a staff of eleven local Directors of BSU (In other institutions local Baptist pastors and faculty members serve as BSU advisers): Rev. Rowland Pruette, Western Carolina; Miss Gloria Blanton, East Carolina; Miss Frances Nicol, Woman's College; Rev. Edward Christman, Wake Forest; Miss Janet Stallings, Baptist Hospital; Rev. James O. Cansler, Carolina; Rev. Roberts C. Lasater, State; Rev. John Davis, Appalachian; Rev. Knox Sampson, Pembroke; Miss Maxine Garner, Meredith; Rev. Boyce Medlin, Duke University.

The Convention owns Student Centers at Woman's College, East Carolina, and State College. Funds have been approved for the purchase of lots for Centers at Duke and the University of North Carolina. The Department publishes a monthly magazine, The Reveille; works with the local WMUs to inform the Directors of students entering college: and undergirds the work on campuses without a Director. Working with this Department is the BSU Committee of the General Board, which includes three college students. In local situations there is a Student Affairs Committee which serves in an advisory capacity to the Director.

On the local campus, BSU works through an elected Officers' Council. This council meets weekly to plan the program of the local group. In these councils the initiative, maturity and abilities of the students are developed as they gain practical experience working in close harmony with the local church and the college family.

WHAT DOES BAPTIST STUDENT UNION DO?

BSU seeks to minister to the total needs of the students, particularly to their spiritual needs. The major emphasis is church relatedness. Only the location of the church, its personnel ,and its schedule limit the emphasis of BSU at this point.

On the campus, BSU fills the gap between the secular facts of the classroom and the spiritual needs of the student. Activities vary from campus to campus, but the following are characteristic: worship programs, Bible study, dormitory devotional groups, discussion groups, student choirs, religious emphasis weeks, youth revival teams, vocational emphasis weeks, social activities, missions emphasis week, exchange program, stewardship, and personal evangelism.

The local councils also promote the State and Southwide projects: in the fall, the BSU Convention; in the spring, the Officers' Clinic; the student summer work program, and the BSU State Choir. They promote the reading of The Baptist Student, the Southern Baptist Magazine for students, and encourage attendance at the Southwide Student Retreat at Ridgecrest in June. Each campus also takes part in the LISTEN Campaign, a plan by which each student is encouraged to give a penny a day or a meal a month for missions and physical aid. Last year this fund provided for three summer missionaries, for five scholarships for students in Baptist theological seminaries on the mission fields, and five hundred dollars for agricultural implements to a flooded area in India.

WHAT DOES BAPTIST STUDENTS UNION NEED TO DO ITS JOB?

Baptist Students Union needs revolve primarily around two pivotal points — greater cooperation with the home church and increased financial support.

The ministry of BSU and the home church are cooperative ministries. The college student is at the age at which he is most likely to stop going to church even if he stayed home. When he leaves the influences of home and community, he is much more likely to stop. For this reason the home church needs to teach the student what BSU is and to encourage him to take active part in its program. In some colleges as many as 600 new Baptist students enter at one time. Unless the students have been encouraged to seek out BSU, many will break good habits of home training before they can be found and visited by BSU for enlistment into the college church. Home churches need to keep in touch with the students in college and to inform the Directors of the special needs of the students.

Financially, BSU needs funds for additional personnel and more adequate Student Centers. In several areas of the state, concentrations of 500 to 1,000 students work without professional help. On other campuses the task is so great that one local Director working alone cannot provide an adequate ministry. These conditions will continue until more help is provided.

Each Student Center owned by our Convention is a converted residence which is not adequate for the program which much be operated through it. They must be renovated and made more adequate. On other campuses half the students are not in the college town on the week end. Student Centers are needed for a week day ministry for those who leave.

The task of Christian education is crucial in our denomination's growth and service. The students and workers in BSU request your prayers and your financial support through the Cooperative Program as they seek to carry on the work committed to them, particularly in the situations where BSU is the denomination's only means of bringing Christ into education.

BROTHERHOOD REPORT

The Brotherhood movement in Brunswick County has shown firm and excellent progress during the past year. As of the date of our Association, there are twelve Brotherhoods in the various churches in Brunswick County. In addition thereto two new Brotherhoods, one at Town Creek Baptist Church and the other at Jennie's Branch, will be organized during the month of November. Most of these Brotherhoods are active and rendering good service to their churches and communities.

During the past year your Brotherhood President attended the Baptist Brotherhood Conference at Caswell Seaside Assembly and plans to attend the State-Wide Brotherhood Meeting at Winston-Salem Monday night before the meeting of the State Convention.

During the next church year it is planned to organize the Brunswick Baptist Association into districts and have the Brotherhood work within the Association to function through these districts, having a member of an executive committee to assist in the Brotherhood work within each district. It is planned to have five members of the Brotherhood Executive Committee in this county to enlarge the Brotherhood work within the various churches.

The Brotherhood movement is directed primarily and exclusively to the enrollment and enlistment of the men in the Brunswick Churches in active Christian work within the Churches and Committees. It is the only work of this type where men can be brought into full Christian training and service not otherwise provided in our denomination. The work of the Brotherhood is unlimited in its scope and its influence will be felt throughout the entire Church Program in any Church that supports the movement.

REPORT ON CHRISTIAN EDUCATION

In general, the Baptist program of Christian education includes the teaching ministry of the Christian home, the local church with its varied programs, the Baptist schools and colleges supported by the Conventions within the various states, and our Southwide seminaries.

Here in North Carolina in our seven Baptist colleges—namely, Wake Forest, Meredith, Mars Hill, Gardner-Webb, Campbell, Wingate and Chowan—we had a total enrollment of 5,921 students, and already more than this have been accepted for the coming college year. Recognizing the ever-growing need for additional schools and colleges for the training of Baptist youth, our leaders in eastern North Carolina are expressing deep concern for a more effective Baptist witness through the establishment of one or more new colleges.

North Carolina is second only to Texas in the number of students enrolled in her Baptist Colleges. It is reliably predicted that within a brief period of twelve to fifteen years the present college population of 50,000 in North Carolina will be doubled, which means that instead of 18,000 Baptist young people in college in our state, as at present, we shall have 35,000 to 40,000. It would be absurd to expect our people through their

churches to support a program adequate to meet the needs of such a host of Baptist youth, but at least our Baptist people must not be willing to slacken their efforts to keep step with other Protestant denominations in providing a well-trained Christian leadership for the world.

Of the 750 students enrolled as ministerial and mission volunteers in our North Carolina Baptist Colleges, 450 are training for the ministry. In addition to this 12 per cent of the student enrollment there are hundreds of others training to become ministers of music, directors of religious education and church secretaries. It is likely that at least 20 percent of the students enrolled in our seven Baptist colleges are preparing themselves for some full-time church vocation. In addition, a majority of the young women graduating from Meredith College are preparing to become teachers in the public schools of North Carolina, and a large number of the graduates of Wake Forest enter the teaching profession. When we add to this number those that are being trained in such professions as medicine, law and business, we realize that graduates of our Baptist colleges are carrying the Christian witness of our denomination not only through our churches but through the many channels of our modern society.

Every effort is being made to operate good, accredited colleges at the lowest possible cost, that the door of educational opportunity may remain open for all our young people. It is not likely that the support from our churches through the Cooperative Program will ever be equal to that which the State provides for its educational institutions, but whatever support we have from the churches will be supplemented from every other resource possible, to the end that the charges to the students may be kept at a minimum.

It is timely always to remind our Baptist people that these colleges are supported and operated primarily for the training of Baptist young people, and that we can best express our interest in them, first, by encouraging the young people in our churches graduating from high school to enroll in one of these seven Baptist colleges and, in the second place, by continuing to provide financial support through our present Nine-Year Program of Advance.

CHRISTIAN LITERATURE REPORT

Nearly 2,000 years ago the Apostle Paul said, "Give attention to reading." He knew then, as we know today, that God's people must read to strengthen their faith, to increase their knowledge, to open their vision, to inspire their minds. Christian literature must forever be dedicated to the furtherance of the Gospel and the whole work of the Lord through His people and His Churches. Like some evil flood today, the swelling tide of bad literature has come to deceive all who will buy, read and absorb its insidious poison. Much of it is cunningly dressed in fine covers and attractive print as it bedecks every newstand and lures every heedless person to take and read. To stem this ugly tide is the solid array of well printed, sound Christian periodicals, books, and other good literature to meet every age and interest.

It is impossible to overestimate the power of the printed page. Words have wings, and printed words can get into many places where the spoken word cannot reach. Baptists ought to make much use of Christian literature; much of it comes from Baptist presses. It must be read, promoted, and used widely by our people in their homes and churches if the whole Program of Christ is to be fully carried out in Baptist unity and strength. There is no other means by which so many people can be reached so completely, so constantly, so cheaply and so successfully as through the Baptist State paper. The late Dr. George W. Truett has said, "It is a tragedy for any Baptist family to fail to receive and read regularly the State Baptist paper."

"The promotion of missions, education, social service and the distribution of sound religious literature" was the main purpose of the Baptist State Convention of North Carolina when it was organized in 1830. Shortly afterward, in 1833, the BIBLICAL RECORDER was founded to help carry out the high aim and purpose of our Baptist forefathers. For 123 years, the RECORDER has borne the message of Baptist life and progress in our State. It ought to be in every Baptist home in North Carolina. Certainly the RECORDER is within the reach of every Baptist mail-box and home, for it is mailed direct to every subscriber each week.

The RECORDER has three subscription plans: Single subscription, $2.50 a year, Church Club Plan, with 4 or more subscriptions, having the same expiration date, $2.00 a year. The Every-Family Plan, with one subscription to each resident family of the church, with the same expiration date, $1.50 a year.

NORTH CAROLINA BAPTIST HOMES FOR AGING

The Homes are in their sixth and greatest year of operation.

Construction of the Administration and Dormitory Building began in February. It should be completed by the end of the year, and ready for occupancy by February 1, 1957.

North Carolina Baptists have good reason to be proud of this new building, which, when completed and equipped, will add one-half million dollars to the total value of the Homes. What is more encouraging, there is reason to believe that the total cost of the new building will be paid for by the time it is occupied, if our 3,200 Baptist churches will respond with a generous Special Day offering on the third Sunday of February, 1957.

The added facilities of the new building will make it possible to care for 100 residents — at Resthaven, 36 at Albemarle Home, and 44 in the new building. Of this number, less than 10 will be part-time helpers. Moreover, a greater ministry to our aging residents will be possible because of the extra facilities in the new building. Among these will be ample space for craft shops, sun parlors, library, infirmary, and other additional features. In fact, the new building was planned and is being constructed to provide a well rounded program with the most up-to-date facilities.

The Special Day offering this year, to date, is $88,400.03, including personal and corporation gifts. This amount will be increased by churches late in reporting their gifts. It is encouraging to know that the number of churches responding increases each year.

Resthaven and the Albemarle Home have been filled to capacity. When a vacancy occurs, which is rare, there is always a waiting list.

Effort was made in Winston-Salem during June and July to raise $100,000 for the new building. In addition to the money raised, the response on the part of a large number of splendid business men to help with the campaign was most inspiring. The aroused interest in the program of the Homes will bring increasing results for years to come.

There has been a larger number of building memorial gifts. They ranged from $300 to $3,000 — $300 to furnish, $1,000 to endow, and $3,000 to pay cost of constructing a room.

A trustee, Mr. Don G. Matthews of Hamilton, gave, in addition to $3,000 to construct a room in the new building, $1,378 to pay cost of excavating a lake on the grounds of the new building.

Your Homes are putting forth their best efforts to render a ministry of security, comfort, congeniality and Christian love to our residents.

North Carolina Baptists should keep in mind that their special offering and the share of the Nine Year Program received by the Homes help to make this ministry possible to all who come to the Homes, and, especially, to a large number who could not come but for such help.

There are some rooms left to be memorialized. Also, a limited number of cottages may be built on the Park Road site. If interested, contact James H. Hayes, general superintendent, N. C. Baptist Homes, Kentucky Avenue, Winston-Salem, N. C.

"Cast me not off in the time of old age; forsake me not when my strength faileth." (Psalm 71:9).

THE BAPTIST HOSPITAL

"And Jesus went about all Galilee, teaching in their Synagogues, and preaching the gospel of the Kingdom, and healing all manner of sickness and all manner of disease among the people." Matt. 4:23.

Since Southern Baptist believe and wish to follow the example laid down by our Lord, we should feel keenly the challenge of our responsibility to our Baptist Hospital.

Teaching, preaching, and healing, the precepts of Christ's ministry, are the objectives of your Baptist Hospital, which together with the Bowman Gray School of Medicine of Wake Forest College, forms the Medical Center of North Carolina Baptist.

In 1955 the Hospital admitted 14,918 persons as bed patients and rendered a total of 115,300 days of patient care. There were 56,889 visits made to the Out-Patient Department.

Also a six weeks course is offered to pastors dealing with The Crisis Ministry.

The hospital has a school of nursing offering the three-year course. This school is fully approved by the Board of Nurse Examiners. Also a School of Practical Nursing of one year's duration.

The Bowman Gray School of Medicine of Wake Forest College serves as a teaching Hospital to provide a high grade of Specialty Service in various fields of medicine.

There are also Schools in Specialized fields, all being fully accredited.

The Out-Patient Department enlarges the Hospital's service beyond the limited number of in-patients it can accommodate.

There is also a Private Diagnostic Clinic, serving those patients who are able to pay for examinations.

A Premature Nursery is operated by the Hospital. Last year it cared for approximately 150 babies, there being an average of 11 being cared for at all times for an average stay of about six weeks.

There is also the Aid to Ministers and Missionaries who devote their full time to the Ministry and provided free hospitalization through the Out-Patient Department. If they elect to enter as private patients they pay 50 per cent of the cost for such care. A fifty per cent discount is given on all work done for dependents of pastors and Missionaries. These discounts amounted to $31,857.73 in 1955.

The Hospital provided free service in the amount of $455,709.43 in 1955. In addition to the free doctors care for all service patients.

Realizing the great need confronting us as followers of Christ, let us give more liberally than ever before. Then pray God's blessing upon both offering and the faithful workers in and for our Hospital.

Respectfully submitted,
R. H. Kelly

ORPHANAGE REPORT

During the year of 1955 a total of 824 applications for the care of needy children passed over the desk of the General Superintendent. We were able to admit to some phase of our program 137 of these children. To the other 687 we had to say no.

In 1955 there were 58 percent more applications sent to us than in 1950. Thus the need grows greater each year. We cared for 736 children last year or 23 more than the year before. This increase was in foster home care and was made possible by an increase in the Thanksgiving Offering.

Last year, for the first time, the Orphanage received part of its support through the Co-operative Program. About ten percent of the income was given through this channel. The only way for the orphanage to get more money to meet the ever increasing needs for child care is through a greater Thanksgiving offering.

There are more Baptists in North Carolina than ever before; the income of our people is at an all time high; they have given more money to our total Baptist Program than ever before. Surely this year they will make a greater Thanksgiving Offering to help the homeless child.

During the past year, a new church building and parsonage have been completed at Kennedy Home. A contract will be let soon for New Boy's Cottage and a swimming pool at Kennedy Home. All of these buildings are erected with special gifts or bequests.

We believe our orphanage publication, Charity and Children, is now making a greater contribution to our Baptist Program than ever before.

More than 51,000 copies of Charity and Children are mailed out each week. Every church should have a club of 10 or more copies.

The true greatness of any group of people is measured largely in terms of the care, the training, and the religious attitudes it gives to its children.

"We are all blind unless we see
That in the human plan
Nothing is worth the making
If it does not make a man.
Why build the nation glorious
If the child unbuilded goes?
In vain we build the city
Unless the child also grows."

Ruth Ludlum

REPORT OF RESOLUTIONS COMMITTEE

On the 25th day of October, 1956, be it resolved by the Brunswick Baptist Association:

1. That we express our appreciation to the pastors and people of Town Creek and Prospect Churches for generously offering their facilities to our Asociational meeting and for providing the two bountiful noon meals.

2. That we express our appreciation to all the officers of the association, those on the program and to the visiting speakers and denominational leaders who have come to inform us and to inspire us. To them we pledge our cooperation in all phases of our State and Southwide Baptist work.

REPORT OF R. A. COUNSELOR

Being still young in this R. A. Counselor work I can truly say I do not feel as qualified for this work as I would like to and need to be. I have been a Counselor by name more than by deed and action.

As stated in last year's report, this work cannot be done by talking, but it must be done by loving, praying, planning, and working with and for our R. A.'s.

I again have to bow my head in shame and say thanks to Mrs. L. J. McKeithan, Mrs. McRackan and each local Counselor and give them the honor, glory, and praise for the progress with our young boys and making this year's report as follows:

Leadership Conference	Leland Church
Associational W. M. U. Meeting	Friendship Church
R. A. Father-Son Banquet	Caswell
Caswell Overnight Camp	Caswell

I truly pray God will so burden each of us for our young generation and the lost, that it will cause ACTION instead of talk. I would love to visit each church in this Association, so will you invite me to your Church in behalf of our R. A.'s or young boys.

REPORT ON TEMPERANCE AND PUBLIC MORALS

This is submitted with the hope that every Christian will rise up and take the stand and fight against the evils which we are faced with today. Here are the naked facts that ought to astonish and shock every one of us into immediate action.

Social problems have grown at such an alarming rate in our society that the necessity for a new approach in meeting and solving these problems is long over due. We can no longer close our eyes and tell ourselves things are getting better. We must not deceive ourselves and allow these evils to bring our nation down as they brought down the Great Roman Empire.

When we read the account by the great historian of 166 years ago, Edward Gibbons, it seems as if he were writing American History before it happened. Unless we, as Christians, are willing to look these evils straight in the face and ask God's help to solve these problems we will truly go the way of Ancient Rome.

There are five outstanding characteristics of the people today that can be seen that were present in the days before the fall of Ancient Rome. First, man and woman alike have disrobed themselves before God and man. Anywhere the people follow the nude or semi-nude fashions as our people are doing today there will be a lowering of morals. Nakedness, adultery and fornication go hand in hand. Second, the rapid increase of divorces today, almost one divorce for every third marriage. Third, Divorces mean broken homes, and broken homes mean a rapid increase in crime, especially among the younger generation. Fourth, Crime means greater taxes for you and me. The taxpayers pay for crime. Fifth, Greater taxes mean less money to support the Kingdom work of Christ.

Last year saw another 14.4 percent crime increase. For the last seven years there has been a great increase in crime. We are becoming a nation of criminals. There were 226,700 major crimes and offenses last year, a crime every 14 seconds, 34 murders every day, 3,674 larcenys, 529 automobiles stolen, 1,420 burglaries every day. More Bar Maids than College girls, that help sell over 17 Billion Dollars worth of liquor annually. 15 million sex magazines sold every month. One million illegitimate babies born annually, mostly among our teen-aged girls. Most of the crime is among unchurched people. We are not to lessen our efforts but to put on the whole armor of God and increase our efforts greatly. God help us to preach Sin BLACK, no matter what form it is. God give us men and women to live the Gospel. Preaching, loving, and working by the Bible is God's remedy for a sinful world.

TRAINING UNION REPORT

This is my Third Year as Director of the Training Union Department of our Association. Each year we have our joys and our heartaches. So much to be done and so few are willing to put their shoulders to the wheel. However, we are so thankful to God for the "Faithful Few." Let us not get discouraged but say with Martin Luther, "Come what may I shall not recant."

Our joys this year have been in seeing so many of our people respond to our Mass Meeting in Training Union. The first one was "M" night held at old Shallotte Church with over 226 present. Mr. J. P. Morgan, our most able Training Union Secretary for North Carolina, brought the message. The Associational Choir under the leadership of Mrs. Sylvia Moore made it such a wonderful meeting. Our other Mass Meeting was our Tournament held at Bolivia. Antioch Training Union members won in most of the Tournaments. Later this group, with several of our Training Union officers of the Association, went to the Regional Tournament at Fairmont.

Here again our people did real well. The adult scripture reader coming in third place and in the Sword Drill we came in second. In our memory work a Junior was a Regional winner and participated in the State Tournament at Caswell.

Again it made my heart glad when so many of you took the advantage of our assembly at Caswell by being there to many of our Training Union Conferences.

This has been a good year but let us make it better next year.

Respectfully submitted,
Reba Sellers, Associational Training Union Director

REPORT ON STATE MISSIONS

Edward L. Spivey

I. STATE MISSIONS is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

(1) There are 4,300,000 people in the State. About 2,000,000 of these above the age of eight years are affiliated with some kind of church. 1,900,000 of these above the age of eight are unchurched. If 25 per cent of the affiliated church members are unsaved, then 62½ per cent of the people of North Carolina above the age of eight years are lost. North Carolina, therefore, is far from being half Christian.

(2) We have over 800,000 Baptist church members in North Carolina. Perhaps 40 per cent of these are enlisted and are being taught and trained in Christian giving, living, and serving. This means that 60 per cent of our church constituency is not dedicated in the Christian profession. In this undeveloped area the churches have their primary challenge.

(3) The above interpretation of the purpose and challenge of State Missions demand a varied program of mission activity.

A. Our People Need To Be Taught And Trained. Therefore, four of the most significant phases of our State Missions work are promoted through the Sunday School, Training Union, Rural Church and Music Departments. Already over 2,000 Vacation Bible Schools have been reported for 1956 — giving $42,000 to World Missions. The goal of $2800 will be reduced. Over 7,300 of our Baptist people attended Training Union Weeks at Caswell, Fruitland and Ridgecrest this summer. Perhaps this is a record for any state. Many rural churches have been enlisted in our Baptist program of Stewardship and organizational life. Many quarter and half-time churches have been led to activate full-time programs of service. Over 1200 leaders in the fields of Music and Sunday School attended the assemblies this summer. The programs were promoted and directed by the leadership of these two departments.

B. Over 60 per cent of the people in North Carolina are lost — and need a Savior. State Missions provides a Department of Evangelism that seeks to inspire pastors and churches to evangelize their communities; also to plan for and promote united evangelistic efforts on a state and Associational-wide scale. Since the organization of this Department, Baptisms have averaged 8,000 a year more. North Carolina Baptist churches, last year, baptized more people than any other state except Texas.

C. A Growing Population Demands New And Stronger Churches. State Missions provides a necessary and significant ministry through aid on some church buildings and the purchase of sites for new churches and some one hundred or more salaries for pastors. These supports enable new churches to move forward in a building program and other churches to strengthen their programs and enable the pastors to give more of their time in developing stewardship churches. During the past year, approximately $150,000 was invested in this work. Six out of every ten Baptist churches in North Carolina have been assisted in one or more ways through this ministry.

D. A More Highly Developed and Intelligent Congregation Demands A Better Trained Pastor. Pastors' Schools are promoted through State Missions to meet this growing demand. Last year about 160 pastors received better training at Fruitland and about 35 at Caswell. Refresher courses are offered from time to time at Mars Hill for the benefit of all pastors and their wives — trained or untrained. This summer we reached approximately 400 during the week of Christian Study and Fellowship.

E. The Colored Races In Our Midst constitute a large percentage of our population. State Missions seeks to minister in a limited degree to the Negroes and Indians. We should do more—not because the Catholics are winning them, but because we should. Ours is the major denomination in North Carolina and, therefore, they are largely our responsibility.

F. Other areas of need constantly challenge the resources of State Missions, namely:

(a) The Allied Church League. This organization is doing a tremendous job in helping to produce a sober and sane citizenship in North Carolina.

(b) The Silent People. Three thousand of them beckon for our care, love and concern.

(c) The Assemblies — Fruitland and Caswell. Our people greatly need the fellowship, inspiration and training they offer. Perhaps 12,000 attended these assemblies this summer. The organizations of the Women's Missionary Union had 2,150 women and young people to attend State and Associational W. M. U. Camps this summer. They serve all phases of our Baptist work.

(d) Other Ministries: Summer Student Work—Student Aid—Ministry Trough Service Institutions — Baptist History — and Separation of Church and State.

G. The Department Of Church Planning. This department serves many churches through counsel and guidance in planning for beautiful and adequate churches and educational buildings.

H. Brotherhood And Royal Ambassador Work will become departments of State Missions in 1957. Here will be an unlimited ministry through men and boys.

I. Our Church And Denominational Leaders Of Tomorrow Need To Be Taught And Trained In Cooperation And Loyalty Now. State Missions promotes a Baptist Student program among 20,000 sons and daughters from our Baptist homes who are attending the many colleges or universities, business and medical schools of our State. These young men and women constitute a great potential leadership for all areas of tomorrow's world. The churches will need the strength and service of that leadership. Baptist Student Centers near the campuses of our State colleges and other schools are a must. This year the Convention purchased a beautiful site for a student center at the University of North Carolina where we have 1,700 Baptist students.

J. What Are The Sources Of Support Whereby State Missions Can Function Effectively and Fruitfully In All These Phases Of Work? Here they are:

(1) Cooperative Program (if goals are met)	$270,000
(2) Sunday School Board	21,000
(3) Home Mission Board	4,000
(4) W. M. U. Week of Prayer (goal)	75,000
(5) Miscellaneous Income	7,000
	377,000
(6) Offering through the Sunday Schools and churches October 28, 1956 (goal)	123,000
	$500,000

The Total State Missions budget needs are $500,000. The goal for State Missions Day on October 28, is $123,000. Remember, this day for Missionary Baptist churches in North Carolina is the oldest of our Mission emphases. It has constantly undergirded our total World Mission program. If this goal is reached by our people, your 24 ministries of State Missions will have their 1956 needs met and the long standing overdraft on State Missions could be met in December and we could begin the year 1957 with a clean slate.

K. Therefore, will you as an individual and your Sunday School and church do your part so that the first part of The Great Commission might be obeyed—and that these rich ministers might be continued to the extent that next year North Carolina and the world might have many more Christians and be more Christian.

REPORT ON SUNDAY SCHOOL

As our Saviour walked by the sea He gathered the men together to teach them how to carry on His great work after He had gone on to be with His Heavenly Father. This I think gave our Sunday School Board the wonderful theme for this past year. ("Get the Men.") This has made each one of us more conscious of our Fathers, Husbands, Brothers and Sons. We are so happy that they are interested in our Sunday School and are proving themselves to be disciples of Christ by learning to do what He would have them do and be.

As I have gone with our other Associational leaders to our State Planning Meeting — Raleigh, Caswell and Associational Sunday School Meetings my heart has been glad by the number of men we have now participating. But let us not stop for we still have so many to reach.

May I suggest that each of our Sunday Schools form a new Class for Men?

If we continue to reach the Heads of our Homes we need not fear for the other members of the Family. They will gladly come with Dad.

Respectfully submitted,

Lee Sullivan, Superintendent of

Brunswick Sunday Schools

W. M U. REPORT

It gives me great pleasure to be able to bring to you another report of our W. M. U. work this year. I thank God for this great opportunity and count it a privilege to be able to represent the missionary minded ladies of our Association. As you know we are few in number, but I am sure we are all proud to be in the minority, and to be a member of this wonderful organization. I can think of no better way of serving our Lord and Master than through the W. M. U. Channels.

I must apologize for having been sick so much of this year. I'm sure anyone interested in the work could have done much better than I have. I will take this opportunity to thank the people of the 21 Missionary Societies for their cooperation, especially Mrs. MacRackan, for without her and her untiring efforts I never would have succeeded in doing very much. I want to thank the ladies for the lovely azalea plant that was sent to me while I was confined in the hospital. It meant more to me than words can ever tell.

Wells, Stacy, Jr.,	Leland	East Carolina

We had a very busy time during the winter months trying to get as many of our requirements for the year done before time to begin work on our farms. We had a leadership conference at Southport Church with the auditorium almost filled. We also had a Stewardship book, "Give Ye", taught at Town Creek by Mrs. Powers of Turkey, our Regional Stewardship Chairman. She also taught the Community Missions Guide for us at Mill Creek and Shallotte Churches. Mrs. H. O. Peterson, Jr., our Associational Mission Study Chairman, held a wonderful Mission Study Institute and you responded to the Foreign and Home Mission Series just fine. Although I could not attend our Annual Meeting at Friendship I have heard some wonderful reports about it. When we think of what we have accomplished it makes us feel proud, but we know that we cannot stop until all have heard, and the Gospel has been carried to the ends of the earth. As we begin a new year let us resolve to, "Study to Show Ourselves Approved unto God, a workman that needeth not be ashamed."

Now your work on your farm is almost over and God has been so wonderful and merciful to us all, won't you in appreciation render your best to Him?

I was able to attend the State Leadership Institute again this year; there is so much to learn in so few years that I ask you to remember me in your prayers. Also pray especially for the Nominations Committee that they may seek out leaders interested and capable to carry on our work in a greater way for the Kingdom of our Lord. All in all we have had a very good year but there is much yet to be done. I wish every one of you could go over the annual report with me. Figures don't stick with most of us very long so I'll leave off the figures and say the one who died on Calvary's Cross that you and I might have a plan of Salvation, needs your dollars, yes, but more than anything else He needs you. Won't you listen for His still small voice as He calls for you to come and help us, "Labor together with God." (1 Cor. 3:9). We would not forget our Young People. We have had some wonderful experiences with them. I know Mrs. McKeithan has a wonderful report for you on their work.

So again I thank each of you and beg for your prayers and help in this great task before us. We all want to hear a "Well done", from our Master, I know. If you do, "arise while yet tis day and look upon the fields already white unto harvest."

Respectfully submitted,
Mrs. Leroy Hooks, Supt. W. M. U.

ASSOCIATIONAL MISSIONARY'S REPORT

Missions start in the heart. The starting point of any church's study of its world mission must begin with an analysis of the heart and mind of each member of the local church. This is true because world missions begin in one's heart. No church will ever attempt a world ministry unless there is found within the member a burning love and deep concern for the vast unreached multitudes.

As you (I) read these lines, examine your own attitudes. Are you really missionary in Spirit? There are those who, carried away with the thrill of adventure and travel, often say that they would like to cross an ocean for Christ; but if one is not willing to cross the street or highway to talk to his neighbor about Christ, it is doubtful if he would do much good in crossing the sea! Then there is the person who is always wishing for a lovely voice so that he could sing special numbers in his church that would lift the hearts of the people toward God; but if an

individual is not willing to share a hymn book and offer a smile to a visitor in a pew beside him, it is doubtful if his special numbers would accomplish much! Yes, missions start in the heart and from there extend to the wide world about us. Let us see if our hearts are ready to answer these questions: "Do I take advantage of mission opportunities in my own Association? Do I visit the lost, the unchurched, and the ill in my own neighborhood? Do I read articles and books on missions both at home and abroad? Do I pray daily for our missionaries?" Your Associational Missionary has tried to help you to answer these personal questions as she has led you in an Associational program for the past five years.

So many of you have responded to our Associational meetings, yet, many have fallen away using poor excuses. The advantages of mission opportunities have been in our Woman's Missionary Union Study Institute, Leadership Conferences, Training Union "M" Night, Youth Night, Student Night, Conferences and Tournament, Sunday School Planning Meetings and Conferences, Music Schools and Music Conference, Hymn Sings, Youth Rally, Banquets, Vacation Bible School Clinics, and our School of Missions.

This Associational year your missionary has traveled 32,682 miles promoting missions and seeking the individual to witness for his Christ in our every walk of life (the lost, unchurched, sick, those in our institutions, the discouraged, and most of all the indifferent ones). In our School of Missions last January, we reecived 120 subscriptions each to The Commission and The Home Mission Magazines. Royal Services are used in our 20 Woman's Mission Societies, and Tell Magazine is used in our Girl's Auxiliaries. These magazines along with the Biblical Recorder and Charity and Children will help us to answer our mission questions and cause us to pray more and to give more to the causes of Christ's Kingdom. Yes, missions must start in the heart (each member of each local church) and extend into our Association, State, Home and to the uttermost parts of the world — One Lord, One World, Our Task!

REPORT OF G. A. COUNSELOR

As our minds go back and we are reminded of our theme for the MOTHER-DAUGHTER and FATHER-SON banquet, A CALL COMES RINGING; we think of the call to each of us to train our young people in the way they should go, that they might answer the great call of Christ, "Go Ye, and be my witness."

It is the host of dedicated counselors, women fostering societies, and the members of our youth organizations themselves, that makes a report like this possible.

How grateful we continue to be to them and to Him, in whose name we serve, and through whose leadership we look ahead to the opportunities before us in 1957 and 1958.

These are some of the activities of the past year. (1) One coronation service, Leland Baptist Church. (2) One Presentation service, Town Creek Baptist Church, (3) Mother-Daughter Banquet with 300 attending, and (4) Overnight camp at Caswell, with 250 attending.

We cannot close this report without a word of recognition for the untiring work of our Associational Missionary, who has been a great blessing in paving the way for greater service in our Association.

To the days ahead I look with great anticipation, especially as we think about all of our hopes and dreams for our young people as we seek to lead in this capacity. Yes, we have a wonderful work before us, and with the Psalmist we can say: "Thou wilt show me the path of life, in Thy presence is fulness of joy."

Respectfully submitted,
Mrs. L. J. McKeithan, G. A. Counselor

W. M. U. REPORT

It is again at this appointed time and place that we have gathered together to look back and review our work of the past year. As we think of the faithful few who have been willing to, as Isaiah said, "Arise and shine, for the Lord has come," it makes us know that our efforts are not in vain. This day we thank God with all our hearts for them. We pray to God for a broader vision and more wisdom, and knowledge as we go onward and upward in His name.

I do not intend to give any of us a pat on the back for surely we do not deserve it. There are some of you that I feel very proud of and there are some that I'm sure you are grieving the very heart of God. If I could but help you to see that this work is not to glorify you or I, but that we are laboring together with God. So many say "I cannot find time," or "I do not know how to teach a book, lead a conference or even to belong to intercessory prayer league." Let me refer you to Paul's views in a matter of this kind. Paul said, "I can do all things through Christ which strengtheneth me," Phil. 4:13. Can't we unite our hearts in a more cooperative spirit in the year that is ahead of us. If we can't labor together with God here, how can we expect a place in His Heavenly Kingdom. I stand ready to help any of you in any way if you will only ring my telephone and let me know. I'm trying to use every opportunity to better qualify myself for this work. Won't you join me?

I have attended all State and Regional Institutes and conferences available this year. I especially enjoyed the W. M. U. Convention. It was the first time that I have been privileged to attend the convention, so I highly recommend it to all of you. It is well worth your time and trouble. We also enjoyed having Miss Miriam Robinson, our State Executive Secretary, and Mrs. Littlleton, our Missionary from Africa, and Mrs. M. H. Dameron, Regional Superintendent from Fayetteville, as speakers at our annual meeting held with the Antioch ladies. We extend our appreciation to them for this wonderful day together.

Here in the Association, we held a leadership conference, which was well attended, for those of you who would come and study with us that we might do a better job working together to spread the Gospel to the ends of the earth. We also had Mission Study Institutes, books taught, executive committee meetings, a banquet for our boys and girls at the Caswell Assembly and also an overnight camp at Caswell. Our young people enjoy coming together and having fellowship one with another at these meetings. We invite all of you to attend our meefings at anytime.

As we realize we have closed another year's work, good or bad, for our Lord, let each of us take stock of our own heart and see ourselves as God sees us. I cannot say how He sees your work or whether you have done your best, but you can. Let's resolve this day to find out if God is pleased with our lives and if we are doing our best for Him. I invite you now to join one of our organizations, if you haven't already, and don't just try, but let's do our very best next year.

Respectfully submitted,
Mrs. Leroy Hooks, Superintendent

REPORT OF R. A. COUNSELOR

There are no truer words than "Time and Tide waits for no man." Here it is another year gone and not very much work done toward our R. A.'s. In fact, there can't be too much done in helping our boys to a closer and more faithful walk with THE KING, our Lord and Saviour. The greatest work we can do is to help train our boys to be better men and more God-fearing than we.

Again, I'm afraid we have left off the major things, such as praying, planning, working with our boys, and done too much talking. I was blessed to visit with several of our churches and say a few words in behalf of our boys and the R. A. work.

Our 1957 report is about the same as the year just past, finishing with the overnight camp at Caswell Assembly for both the R. A. and G. A. groups.

Sorry I'm not able to submit a better report for 1957, however, I'm praying and will continue to pray that a better report can and will be made in 1958. Will all of you pray and work to this end?

I've truly been made to see the great need of training our boys to a more God-fearing and Christ-like way. If we all could get a vision of this great need, I'm sure our 1958 report would be a better report. May God open our eyes is my prayer.

Respectfully submitted,
Walter Harper, R. A. Counselor

BROTHERHOOD REPORT

The Brotherhood movement in Brunswick County and North Carolina has continued to show firm and excellent progress during the past year. Each year shows the movement as being more and more an intricate part of the working organization of the churches and communities.

Your Brotherhood President has attended the Brotherhood conference meetings held during the past year, and plans to attend the State-Wide Brotherhood Meeting in Raleigh Monday night before the meeting of the State Convention.

Our Brunswick County Brotherhood meeting was held at Bolivia on the night of 22 October, 1957. At this meeting eleven or twelve churches in the county were represented and sixty or more men of our county gathered together for this purpose. Mr. Bennett Straughn of Raleigh, North Carolina, was our principal speaker; a delightful meal was served by the women of the Bolivia Church.

The Brotherhood movement is directed primarily and exclusively to the enrollment and enlistment of the men in the Brunswick Churches in active Christian work within the Churches and Committees. It is the only work of this type where men can be brought into full Christian training and service not otherwise provided in our denomination. The work of the Brotherhood is unlimited in its scope and its influence will be felt throughout the entire Church Program in any Church that supports the movement.

Respectfully submitted,
E. J. Prevatte,
Associational President

MUSIC REPORT

Music is a vital part of our lives and as such it plays a major role in the church service. The Church Music Department of our Southern Baptist Convention and our State Baptist Convention is aimed at creating more interest in church music and guiding us in the promotion of a better music ministry; to aid each church in its music program.

Since the office of Associational Music Chairman was created at our last associational meeting, we have endeavored to translate this project into the music of our churches. We have held an associational school of music at Supply; we have held three associational hymn-sings; three music committee meetings and two music conferences. In the interest of our music program we have had Mr. Preston Lawrence, Mr. Charles Meadows, and our State Music Secretary, Mr. Joseph Stroud in our association.

Through distribution of helpful literature, we have sought to acquaint the churches with the purposes of this department. Through personal contacts with many churches and individuals, we have endeavored to foster our music program. Through the promotion of our assemblies and music schools we have sought instruction and training. However, our achievements cannot be reported by numbers or percentages. We will be successful when each church has attained a wholesome, worshipful music program.

We were the fifth association in North Carolina to create a music department and one of the few with an active department. Our greatest failure is lack of cooperation by churches and individuals. Our music calendar is prepared for the coming year and we ask you to do what you can to help us achieve our goal; to pray for us in this task. We owe a great debt of gratitude to a small group. May this number grow as we seek to magnify Christ in song.

Respectfully submitted,

Avery Lumsden,
Chairman of Music

VISUAL AIDS REPORT

Visual Aid teaching is the most effective method yet devised. It has been an important teaching tool in many of our churches for a long time. Its use is becoming extremely more important each year.

Visual Aids are the use of charts, maps, grafts, pictures, film strips, slides, and motion pictures. Many of these aids are used effectively in teaching Christ to our children, but we seem to forget their importance as a teaching method to our older groups. People obtain and retain much more from seeing a picture than hearing about one. Of all the Visual Aids, the motion picture is the most effective because one can see and hear at the same time.

We are poorly prepared for teaching in our churches. According to latest survey the churches of our Association do not own either a slide projector or motion picture projector. Several churches have used mo-

tion pictures with borrowed equipment, but obliviously they cannot use such equipment as often as necessary for a well rounded church program.

There are numerous films available on Christian living. Some can be obtained without cost while others carry a small charge. Our Association and our churches are missing their greatest opportunity for teaching Christ and His way of life by not providing sufficient visual aid supplies and equipment. We are in competition with the world in this business of soul saving and using people to carry the message.

We cannot farm without equipment. We cannot manufacture goods without equipment. How can we, in this modern age, teach God's words effectively in competition with worldly things without proper equipment?

A. S. Knowles

REPORT ON ASSEMBLY

The Baptist State Convention last year voted to change the name of our Assembly to the North Carolina Baptist Assembly and reorganized the entire assembly program with Mr. Fred J. Smith as Director. Mr. Smith made many physical changes in the property and its operation for the season just ended. The life saving teams, the staffs working with house cleaning, food service and recreation were made up of college students.

The afternoons are left free for planned recreation, fishing and surf bathing. The mornings are for the regular work of the assembly.

Mr. Smith states that the heads of the departments of the educational and promotional phases of the State Convention bring to the Assembly teachers and speakers who acquaint the state-wide membership of the denomination with ways to implement the faith which they hold. Also, Mr. Smith tells us that missionary education for the youngest Baptist is carried on in the camps designated for boys and girls in the standard age groupings. Each week programs are planned for the inspiration of church people of all age levels. Many decisions are made for Christ in these meetings. One of the high lights of the assembly is Music Week.

Many North Carolina Baptists are enjoying the out-of-season pleasures and opportunities of the Assembly.

We Baptists of Brunswick County need to learn more of the work being done at our Baptist Assembly through the agency of the State Convention.

Respectfully submitted,
Annie May Woodside

BAPTIST ORPHANAGE REPORT

Like all of our agencies, the orphanage has had years of great struggle and years of triumph. Through it all, God has held His homeless children in His own "everlasting arms." Under His leadership, North Carolina Baptists have supported them in a fine way.

For the second year in our history, your Children's Homes share in the Co-operative Program. This plan seems to be working well. However, we still need to give our special Thanksgiving offerings.

Our churches in the Brunswick responded nicely to the request which came from the orphanage asking for bed linens, quilts, etc. Many of our Local Woman's Missionary Societies made quilts and sent them to our homes.

The future of our homes gives us concern. So many requests came in that cannot be taken care of, and our motherless children have to be neglected because of lack of space. We can now bring under our care only one out of eight children for whom application is made. These facts point to the need for expansion of our services for the homeless child. This can only be made possible through our gifts to the orphanage; their future is in our hands.

Respectfully submitted,
John Long

REPORT OF EVANGELISM

As chairman of evangelism, for the Brunswick Association, I have endeavored to achieve only one goal: to promote the plan of evangelism as set forth by our Southern Baptist Convention.

This is no small task, nor can it be done overnight. It will be most readily accomplished through long-range planning. After attending the State Evangelistic Conference, carefully studying the book, "The Southern Baptist Program of Evangelism" by C. E. Matthews, we have planned for an associational simultaneous revival aimed at winning the lost to Christ.

The subject of evangelism has been kept before the executive committee of our association, and with their approval, the month of April has been set aside as "Crusade Month." It is hoped that as many of our churches as possible will join together to make this effort successful.

A campaign steering committee has been selected to lead us in this task, and many of the churches are already making definite plans to begin on April 6, 1958. This crusade is the ground work for the 1959 world-wide simultaneous revival crusade. Each church is encouraged to create a church evangelism council to seek new and better ways of promoting this necessary ministry.

The Brunswick Baptist Pastors' Conference had the pleasure of hearing Julian Hopkins, our state Secretary of Evangelism. He will visit our association again to hold an evangelism clinic and many of you will have the privilege of hearing him on this occasion.

May God lead us and use us for His glory as we seek to promote evangelism, first at home, then unto the uttermost parts of the earth.

Respectfully submitted,
Avery Lumsden,
Chairman of Evangelism

NORTH CAROLINA BAPTIST HOSPITAL 1957 REPORT

Our North Carolina Baptist Hospital is dedicated to the service of those in need of medical care, the education of young people in various branches of medical service, and the bearing of a Christian witness throughout North Carolina and the world.

Once more it has set a new record in its ministry to sick people. Last year it provided 123,000 days of bed care for 15,784 patients. There were 61,000 visits to the out-patient clinics and 60,000 visits to the private clinics. Service patients came from 92 of the 100 counties of our State. This represents specialized medical care in twenty-five different fields of medicine and surgery. It represents the services of skilled medical specialists and special equipment in each of these fields. It represents a medical staff and equipment which, because of the many skills and the large investment involved, cannot be provided except in such a medical center. It provides medical service of the highest order for our people in North Carolina, whatever their financial circumstances may be.

The new Cobalt machine is in full operation, providing treatment for about 35 cancer patients each day. Our very fine plastic surgeon is doing highly skilled work, and our heart surgeon has performed successfully some of the newest and most difficult heart operations known. These services are typical of those offered by our Baptist Hospital.

If a person wishes to go to the Baptist Hospital for treatment, it is necessary that an appointment be made in advance. When an appointment is requested, accurate information must be given as to the general nature of the patient's problem and whether he needs to go through the out-patient clinic, rather than as a private or full-pay patient. The out-patient department is open to persons who are not able to pay the full cost of their medical care. In cases of emergency, or the need for immediate hospitalization, a local physician should always call or write the hospital in order that he may give the medical information required before the proper arrangements can be made. If a person will not be able to pay his full hospital bill when he leaves the hospital, definite financial arrangements should be made when he is admitted to the hospital and not left until later. This can prevent misunderstanding and unnecessary hardship.

It appears now that our churches of the State have made their largest Mother's Day offering this year. We are grateful for this because the needs for help have been greater than they have ever been before. Let us share in the ministry of our Baptist Hospital by giving generously of our prayers, our love, and our money.

REPORT ON CHRISTIAN EDUCATION

Our Baptist Colleges are missionary, and the greatest of all allies of our Baptist churches. There our students get a concept of Kingdom service that is incomparable and lasting. From these campuses they go out ready to make themselves instruments of progress in our local churches and on our mission fields.

Our colleges are good colleges. They have Christian teachers who believe in the gospel message and would diffuse all of life with its ideals. Theirs are the avenues of service, the guarantee of leadership, the bulwark of Kingdom growth that will spell out the accomplishments of the years ahead. But our colleges face a serious threat to the quality of instruction and of campus life unless vigorous efforts are made to interest more already qualified Baptists in college teaching. Increasing difficulty is experienced in recruiting teachers. It is suggested that the names of person so qualified be sent to the office of the Education Commission in order that they may be registered for possible placement in Baptist colleges. This problem is of vital concern to us because our sons and daughters are affected deeply by what they are taught in our colleges.

Christian Education placed emphasis on the theme "Christ and My Future" in April 1957, when a Convention-wide effort was made to lead Baptist youth in a Christ-centered approach to life planning. Also in October 1956 the Education Commission began its monthly publication of a vocational guidance paper for teenagers, the "Southern Baptist Career News." This eight page newspaper is designated to assist boys and girls between the ages of 13 and 19 in their search for careers worthy of their potentialities for Christian service and influence.

Baptists of North Carolina should know that they are doing more to provide for the training of their young people than any of the other denominations. Let us not sit down in complacency with what we are doing, but let us go forward in spiritual concern for our youth. Let us pray for God's guidance in this process of Christian Education, for with His help all things are possible

Respectfully submitted,
Mrs. Mildred Millgan

SUNDAY SCHOOL REPORT

One of the finest opportunities faced by the churches of this generation to show missionary zeal in the homeland is through what is commonly called "The 30,000 Movement." This is an effort on the part of the churches of the Southern Baptist Convention to establish 30,000 new Sunday Schools, preaching stations, missions and churches between now and 1964.

If world missions begin at home, then the finest evidence of missionary interest on the part of any church is to help establish new units of work between now and 1964. It is now anticipated that all of these new units will be organized into churches. Many will continue indefinitely as branch Sunday Schools and Mission points. It is hoped that at least 10,000 will eventually become self-supporting churches.

To help aid in this great undertaking, North Carolina Baptist (Brunswick Association being a part) are endeavoring to organize at least one-tenth of the 30,000 new branch schools. Therefore, we have set as a goal in the Brunswick three (3) new branches this coming year, hoping to increase at least five by 1964.

Let me thank each of you for making this a most successful year in Sunday School Work, (your leaders attended both State, Regional and Associational Meetings) and ask each of you to pray for and work toward a more progressive year next year.

Respectfully submitted,
Lee Sullivan, Superintendent

N. C. BAPTIST HOMES FOR AGING REPORT

This, the seventh year of operation of the Baptist Homes for the Aging, has been the greatest year of expansion, thanks to our Lord for His continued favor, and the North Carolina Baptists for their increased support.

The new Administration and Residential Building was opened June 13. All rooms are now occupied, except four in the infirmary, which are reserved for residents who will need them.

The new building increased facilities to 112 residents, counting residents at Resthaven and the Albemarle Home. It also added half a million dollars to the value of the assets of the Homes for the Aging.

Another forward step was taken in July when the General Board voted unanimously to accept the offer of Don G. Matthews, Sr., Hamilton, N. C., to give $50,000 and land on which to build a Home for the Aging in eastern Carolina. This fourth Home will probably add space for approximately forty additional residents, thus bringing the total capacity of all the Homes to 150 residents.

Two Wills have been probated in Forsyth County in which the Homes were remembered with sizeable gifts when received. Word has come of other Wills in which the Homes will share.

A total of about eight-five thousand ($85,000) dollars has been received from the February Special Day Offering. This represents an average gift of ten (10c) cents per Baptist — 850,000 in number.

The challenge facing the Homes for the Aging at present is to finish paying for the new building, although the Baptist State Convention authorized that the Homes might borrow up to one hundred, seventy-five thousand ($175,000) dollars to finish paying for the construction and equipping the new building on Reynolds Park Road. Actually, it was not necessary to borrow but one hundred thousand ($100,000) dollars, Surely, with all North Carolina Baptists responding with a generous Special Day Offering on the third Sunday of February, 1958, and

with continued gifts coming in from other sources as they have been in the past, this balance of one hundred thousand ($100,000) dollars, should be paid within the year. Accordingly, if every pastor and superintendent of the Sunday School will urge the members of each church to respond to this worthy cause, the Baptist Homes for the Aging would be free of debt by the end of the year, 1958.

The residents, and all connected with the Homes for the Aging, are deeply grateful for the support received in the past, and join with the Baptists of our state in thanking God for His favor and blessings year by year.

The state of health of the residents has been remarkably good, considering their ages 65 to 97 years.

Respectfully submitted,
J. D. Hales, Jr.

TRAINING UNION REPORT

A familiar proverb states that a journey of a thousand miles begins with one step. Likewise, effective Training Union growth comes by taking certain logical steps which may begin where your Training Union is right now. There is no rigid order which these steps must be taken. Some need to be planned for the future while others can be planned and taken immediately. Let us consider some of the steps by which your Training Union can increase its membership and greatly strengthen its total ministry.

1. Plan an enlargement campaign.
2. Conduct regular visitations.
3. Plan interesting programs.
4. Have monthly planning meetings.
5. Secure help from the Association — the officers and your missionary will be glad to help you.

Some of these steps do not come easily, but all of them can be taken if Training Union workers are determined to do so. Our Lord has never promised that His work would be easy, but His unfailing promise is that He will guide and give strength to Christian who permit Him to do so.

This past year we have taken new steps in our Associational set up in Training Union. The State Planning Meeting was helpful. Our Quarterly Officers Meetings met with good enthusiasm and as a result we had our youth night and student night well attended. "M" Night with Dr. Earl Bradley, speaker, gave us a step forward in the right direction

of progress. Our Training Union Conference in the fall was represented by nine churches taking steps to forward our Training Unions in the local churches of the Brunswick Association.

Respectfully submitted,
Mrs. Dewey Sellers, Director

REPORT OF RESOLUTIONS COMMITTEE

Whereas we have assembled for the Annual Sessions of the Brunswick Baptist Association on the 23rd and 24th of October, 1957, we offer the following resolutions:

1. That we oppose the recent action of the Board of Trustees of Meredith and Wake Forest Colleges in permitting supervised dancing on their campuses and that a copy of this resolution be forwarded to the President of our North Carolina State Convention and to the Chairmen of the Boards of Trustees of Meredith and Wake Forest Colleges.

2. That we express our appreciation to the pastors and members of the churches who have so generously given of their time and means to make the sessions of this Association a blessing to all. Our thanks also to Old Shallotte and Supply churches for serving bountiful and delicious dinners at the noon hour, and to Mill Creek Church for the inspiring music rendered by their choir at the Wednesday evening service.

3. That we express our appreciation to our Moderator and other officers of the Association, to the Associational Committees who have served in an efficient and co-operative way during the past year; to the visiting speakers and each one who had a part on the splendid program, which has been an inspiration to us.

4. That we resolve to support the work of our local churches and the Association more zealously, so that the cause of Christ may move steadily forward during the coming year.

ASSOCIATIONAL MISSIONARY'S REPORT

It is with thanksgiving to the Heavenly Father for His many blessings and with gratitude to our many friends for their wholehearted support that I bring to you this annual report of the Brunswick Associational Missionary.

Christ has commanded us to "Go—Make Disciples"—"You His Witness"—"Lo I am with you all the way." Southern Baptist, of which

we are a part, are becoming increasingly aware of the world ministry Christ is expecting in our generation. Never in all history has the gospel of Christ been more urgently needed. It alone can bring to each individual release from sin and power for personal living. It alone can cause people to walk together in love and undertake to serve their fellowmen for the glory of Christ.

This is a day of crisis. The whole world is bewildered, frightened, and despairing. Human hearts everywhere are hungry for the gospel of Jesus Christ who died for our sins and arose from the dead. We have the "good news" so we must share with the less fortunate.

Our greatest unharnessed potential is prayer. If the churches of the Brunswick Association can give themselves wholeheartedly to intercessary prayer, we will find power in our churches to lead toward heroic dedication of life and possessions. Missionaries and their fellow workers throughout the world will feel fresh power in leading sinners to know our Lord and Savior.

In the spirit of discipleship and thanksgiving, I give the following report as an account of my stewardship for the past year. Go—with me as we look on the field of service God has allowed us to work. We have 29 churches with 2 missions and 1 teaching station. Here people have the privilege of worshipping God as we give to them the Bread of Life. Your Missionary has taught and spoken in many of our churches this past year, having had 1,277 individual conferences, 409 group meetings, traveling 32,160 miles. Our mission has carried me beyond the boundaries of our Association as I attended state meetings, regional meetings, Ridgecrest and Caswell.

This year God has been good to us. Several of our young people have expressed the desire to become full-time Christian workers; others hav yielded their lives to full-time Christian living in whatever vocation of life they may serve. We witness as we serve the Lord Christ in our W. M. U., Brotherhood, Training Union, Sunday School, seeking to make disciples or learners of all our people.

May this annual meeting be a time when our hearts will be welded together as never before in intercessary prayer and will send us forth to call afresh each New Testament Church to its maximum effort in the Christ-given task of winning the lost to accept Christ and serve Him in this day in which He has given to us. Today is our day to be "His Witnesses."

Margaret McRackan

REPORT OF G. A. COUNSELOR

As we think of the theme for this Annual Associational Meeting, "You, His Witness", we think of the Missionary Society as it brings news of the Kingdom of God to the members of Woman's Missionary Societies, so the W.M.U. Youth Organizations help inform young people and make them eager to obey Christ's command "Go ye and be my Witness."

In order that there may be Christian business men and women, ministers, teachers and overseas representatives for tomorrow, we must provide the best possible missionary education today. Girls Auxiliary, the Missionary Organization for girls nine through fifteen years of age has great appeal for Junior and Intermediate girls.

The value and necessity for these Missionary education organizations in churches of every size are recognized by pastors, denominational leaders and other informed church members. It is the responsibility of Woman's Missionary Societies to foster the organizations by providing the leadership and equipment. We are thankful for the faithful work of our Associational Missionary as she paves the way for a greater service in our Association.

Years come and end but purposes continue. The year ended with each of us becoming familiar with the many changes that came to us during the year. It is difficult to report a year's work but some of the activities of the past year have been two coronation and presentation services, one Mother-Daughter Father-Son Banquet with 300 attending and 3 queens attended the Queens Court at Campbell College.

God's love is for everybody. Many people in our community need Christ. It has been given to us that we might give it to others. People of our present world look upon and await the Gospel of Christ.

As we try to work with our Young People this year, may we ever be conscious that the God whom we love and serve will keep His own in love and peace and finally through His great love wherewith He hath loved us bring all rejoicing into His presence above.

Most earnestly I pray God be with you this year as we work together in training our young people to share His great love with the world.

Respectfully submitted,

Mrs L. J. McKeithan
Associational G.A. Counselor

W. M. U. REPORT

I am indeed grateful and thankful for the opportunity of bringing you a report on our W. M. U. work again this year. In the beginning let me say that I give credit for this report to the ladies who have so faithfully served with me as Fundamentals Chairman and Youth Directors this year. They have inspired and helped me in many ways. Our Associational Missionary has also been very much help to me. If it had not been for her efforts this report never would have been as complete as it is. I want to especially thank the Pastors for their cooperation in helping us to carry on our Womans Missionary work here in this association. I stand before you tonight realizing that our work could have been much better, and that I have failed in many ways. But I can never thank God enough for the opportunities and privileges that have been mine.

I am happy to report that the Calendar of Activities, except for one or two instances, worked fine for us. I'm sure we can work together better next year if we plan all of our work so that one won't conflict with the other.

To begin our year of work last October we had an Associational Leadership Conference at Mill Creek Church for our leaders who could not attend the Regional Conference in Fayetteville. There were about 50 of our ladies attending this Associational Conference. I want to especially thank the 25 ladies and 2 pastors that cared enough to take the opportunity of these conferences in Fayetteville led by our State Leaders. It does our heart good to see our pastors carrying our ladies to these meetings.

We had one Mission Study Institute which was attended very well. The W. M. U. Year Book was taught at Leland Church by Mrs. Susie

Carson. Thirty of our ladies attended this study together. We have had several books taught in the local churches. Our ladies seem to be reading more than usual now. We had four Executive Committee meetings with almost 100% attendance.

More of our Societies are observing with prayer, and giving to our Special Offerings than ever before. We have one Intercessary Prayer League. We now have added the prison camp to the Boarding Home and the jail for Sunday afternoon services. When your church is supposed to have services please be sure somebody goes. This is a much needed phase of our work. We all know soul winning is the heart of Community Missions.

I am thankful again for the opportunity of attending the W. M. U. Convention in New Bern, March 11-13. Our own annual meeting was held with Bolivia Church, April 18th. Mrs. La Prarrie, the missionary speaker, brought a very inspiring and enlightening message about our home for unwed mothers. Miss Barbara Rodman, our G. A. leader, and Mrs. H. W. Baucum, our regional superintendent, spoke to us also. Many thanks to Brother and Mrs. Hardy and the Bolivia ladies for a delightful meal and a wonderful day together.

Our Executive Council and Departmental Institute held at Meredith in June this year was attended by almost 100% of the Associational Officers. We are striving to "Study to show ourselves approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth," (II Tim. 2:15)

Mrs. Luther Hawkins, our Y. W. A. director, held an Associational Banquet for the Y. W. A.'s of our Association. We are very proud of these young ladies. I'm sure Mrs. Hawkins would have me to say this is a lovely group of girls striving to carry on their part in our great Mission cause.

Mrs. Dewey Robbins, our Sunbeam director, held an Associational Sunbeam workshop with the help of Miss Beverly Nielson, our State Sunbeam Director. Mrs. Robbins and Mrs. Susie Carson, of Southport, hold a Card of Accreditation in Sunbeam work. Be sure to call on them when you need a teacher in Sunbeams or need to have questions answered for you.

We are also proud of our G.A.'s but since our G. A. director, Mrs. L. J. McKeithan is on Program, I'll leave her report for her to give. You can see the ladies are my right arm for they have made this report possible.

I cannot help but wish that every man and woman could get a vision of the importance of our W. M. U. Work. The fields are indeed already "White unto Harvest," and the laborers are few." Won't you join me in prayer to the Lord of the Harvest for the laborers to work today, now, for "Today is the Day of Salvation!"

Respectfully submitted,

Mrs. Leroy Hooks,
Superintendent, W. M. U.

BROTHERHOOD REPORT

The Brotherhood movement in Brunswick County, North Carolina, continues to show firm and continuing progress. Each year shows the movement as being more and more an intricate part of the working organization of the churches and communities. During the past year, the Brotherhood work has suffered through failure of the Convention to furnish a successor to Horace Easom, who resigned the first of the year.

Your Brotherhood President has attended the Brotherhood conference meetings held during the past year, and plans to attend the State-Wide Broherhood Meeing in Durham Monday night before the meeting of the State Convention.

The Brotherhood movement is directed primarily and exclusively to the enrollment and enlistment of the men in the Brunswick Churches in active Christian work within the Churches and Committees. It is the only work of this type where men can be brought into full Christian training and service not otherwise provided in our denomination. The work of the Brotherhood is unlimited in its scope and its influence will be felt throughout the entire Church Program in any Church that supports the movement.

Respectfully submitted,
E. J. Prevatte,
Associational President

MUSIC DEPARTMENT REPORT

In recent years we have come to realize that no part of our life is more important or deserves more attention than the area of church music. We have examined ourselves for points of weakness and have sought methods by which we may improve this vital ministry. In an hour when the air is filled with all types of music, both sacred and profane, we must provide the very best possible for our churches. This is the aim and purpose of the Department of Church Music and to this objective this department has dedicated itself.

Music is perhaps our most common act of worship. Surely it is more often used by the laity than any other. This is true because music in itself is rewarding; it is an experience of worship, praise and devotion.

The music department of our association is among the first organized in the state. We have a complete slate of officers who are both capable and consecrated. We have held one Christmas Carol Sing; three hymnsings; three music committee meetings; two associational music conferences and one associational planning meeting. We had a very fine school of church music held at Southport Baptist Church, at which approximately 140 awards were earned. Some of our people earned awards at Caswell during music week this summer. Mr. Preston Lawrence, Mr. Roy Walker, and Mr. Joseph Stroud have been workers from our state in our association this year.

Our graded choir program is growing and adding much to our church life. More of our choirs participated in regional and state music

festivals than in any previous year. Our churches are coming alive to the possibilities of music education and the blessings it holds for us. Our future holds promise of better things in church music. Great strides have been taken in the preparing of literature for the music ministry. Many free pamphlets are available for our use; excellent study course books have been written; and the camps and assemblies offer splendid opportunity to us to prepare ourselves. He are happy to report that our music calendar is prepared for the coming year and your participation in this program is indispensable. May we each do our best to foster a better music ministry in our churches and association. If we decrease our efforts, we can not fail. Let us, therefore, sing with love in our hearts, of our Savior's Love.

Avery Lumsden,
Music Director

BRUNSWICK ASSOCIATION VISUAL AIDS REPORT

October 23, 1958

The majority of our churches are failing to recognize and take advantage of one of our most effective teaching media. I have reference to visual aids. Each church should organize a visual aids department to promote Christian study through the use of films, slides, charts, grafts, maps, and other visual helps.

Some churches are using these visual aid helps, but not enough. More projectors are needed for showing Christian film and slides. Maps and globes are needed in helping to teach the Christian way of life. It can be a long way from Jerusalem to America and from America to Japan or Africa by way of the ear. But through the eye, the love of God can break down barriers and make these Nations our neighbors.

The visual aids representative would be happy to assist the churches of our Association in the selection of equipment to fit their needs. Equipment is better than ever and prices are attractive. Let's start putting visual aid items in our church budgets.

Respectfully submitted,
A. S. Knowles

BAPTIST ASSEMBLY REPORT

During the past summer more than 5000 persons registered for one or more weeks at the Caswell Assembly. The largest week saw the attendance mark exceed 900.

The assembly program is worked out on a three-fold purpose; inspiration, information, and recreation. As to inspiration, some of the outstanding church leaders and missionaries in the Southern Baptist Convention are made avilable for participation in one phase or another of the summer program. During the course of the summer, missionaries are brought in from all parts of the world, bringing with them the inspiring messages on the progress of the Christian work throughout the world.

On the subject of information, the staff workers are carefully chosen to the end that only the highest trained personnel available are used. This includes pastors and educational workers from successfully operated churches in the state and the Southern Baptist Convention. In addition to these, faculty members from the various colleges and seminaries are made available for specialized work in the assembly program. Our people are thus instructed in the latest methods and practices in Christian education.

The recreational program is of the best. There are ample opportunities for our summer visitors to fish in the river and surf, to bathe within the surf or the pools on the assembly property and further to restfully relax in the midst of the cool ocean breezes under the shade of the trees and on the large and spacious porches of the buildings located on the property.

Accommodations are varied, broad enough and general enough to satisfy the needs and wishes of all interested parties. The property is in a constant state of improvement, and each year offers more and more to our people in a wholesome and complete Christian program of enlightenment and entertainment.

REPORT ON BAPTIST CHILDREN'S HOMES

Nothing touches the heart of a Christian more than a needy child, whether that need be physical, social, or spiritual. There is something about a child that pulls at the heart strings. It is this pull that makes North Carolina Baptists look with pride on the work being done through our Children's Homes.

Since October 1, 1957, we have directly served 753 children, and our social workers have been able to place more than 200 others where their needs are now being met. We are now taking care of 16 more children in the Odum Home at Pembroke. Money has been set aside to erect a new cottage there for our Indian children.

Dr. W. R. Wagoner, who succeeded Dr. W. C. Reed this year, is taking over the work in a wonderful way.

Through our homes at Kinston, Thomasville, and Pembroke we are doing much to promote the cause of Him who sat a child in the midst of His followers and said, "Except ye repent and become as little children, ye shall in no wise enter the Kingdom."

Our child care program receives its support from two sources: a combination of the Once-A-Month Offering and the Co-operative Program and the Thanksgiving Offering. We can help our Children's Homes both by giving through the Co-operative Program and the Thanksgiving Offering. Let us do more in both ways this year than we have ever done before.

Respectfully submitted,
Lewis B. Harvell

EVANGELISM REPORT

The emphasis of the Department of Evangelism has been threefold during 1958. Our most immediate objective was the Associational Simultaneous Evangelistic Crusade in April of this year. To this end, a Clinic on Evangelism was held with Mr. Julian S. Hopkins, our State Secretary, as our director. Twenty-one of our churches participated in this event. God blessed us with 49 professions of faith, which figure represents a large percentage of the totals reported for the year. The preparations made for this campaign will enable us to prepare more fully for forthcoming crusades.

A second endeavour of this department has been to see established in each church a workable program of evangelism. The Church Council of Evangelism, composed of all of the major church officers, is the most effective way to accomplish this. This should lead to a systematic and continual effort in the interest of evangelism.

Our task, however, has not ended with these functions. The greatest challenge offered to us is the 1959 Continent-wide Simultaneous Evangelistic Crusade. Seven major Baptist Conventions in America and Canada, with 75,000 churches and 19,000,000 members, are co-operating in this effort. This is an unparalleled opportunity to help fulfill the Great Commission. This is the greatest concerted effort ever made on the North American Continent to win the lost to Christ.

Surely every church in our association will want to be a part of this effort. Let us set a goal of 100 percent participation. Each church should commit itself, and set aside March 15-29, 1959, for this purpose. In 1957, the ratio of baptisms to church members was 31-1. I trust this figure will be lowered. and it shall be, if every Christian makes a determined effort to win the lost to a knowledge of Jesus Christ as Saviour.

Respectfully submitted,
Avery Lumsden,
Chairman of Evangelism

HOSPITAL REPORT

Our Baptist Hospital provides a well-rounded program of medical care and training under Christian guidance and influence.

Last year the Hospital provided bed care for 16,000 patients There were 120,000 visits to the clinics and offices of the medical staff and chaplains. Service patients came from 92 of the 100 counties of the State. The services of the medical staff were given free to all service patients, and the Hospital spent more than half a million dollars in providing free care for them beyond what they were able to pay. Through the Out-Patient Department, many patients are served who do not have the money to pay the total cost of hospitalization or medical care.

A service patient pays what he can of the cost of this care. To help make up the difference between what he can pay and the cost, the Hospital has some assistance from welfare agencies and the Duke Endowment for patients who can qualify, but it must depend primarily upon the Mother's Day offerings. This fund can be used only in cases of real need and after the patient's family has paid all it can and all other possible help has been secured.

Two factors are forcing the Hospital to seek a largly increased Mother's Day support if it is to be able to continue such a service to our sick: First, hospital costs everywhere have increased more than 30% in the last five years; Second, as the number of North Carolina Baptists increases, the demand for this service increases.

With doctors from the School of Medicine and the families of all departments to draw from, these Out-Patient Clinics serve thousands, who could not be taken care of in the limited space that is available for in-patients. Last year there were 58,766 out-patient visits.

I believe Baptists of North Carolina will provide the necessary funds if they realize the need, for I have found that when churches acquaint their people with the need, the response is excellent. Our need, therefore, is simply for our churches to inform their people of the need more effectively.

Respectfully submitted,
Mrs. Catherine King

REPORT ON CHRISTIAN EDUCATION

Through all of the welter of conflicting opinions that we have had in recent months one fact looms large: our Baptist people are interested in our schools. Higher education is at the center of our hopes and ambitions, even our destiny, as a nation. North Carolina occupies a strategic position in our national picture. Our Baptist people constitute a great potential in our state. We must not be content with anything less than the best for our young people. The investment of ourselves, along with our money, in Christian Education will pay greater dividends in Kingdom progress here and to the ends of the world than any other causes we can support. To be able to support World Missions in something as close as our own Baptist boys and girls is a rare opportunity.

We are aware of the need for our support of our seven Baptist colleges. The costs of college education have doubled in recent years and will continue to rise; but Baptists must find some ways whereby these climbing costs can be met without becoming prohibitive for our fine Baptist young people who are not always among our higher income citizens. Beginning in 1957 Father's Day has been designated for our Christian Education Emphasis in North Carolina Baptist Colleges with a special offering for providing financial assistance for hundreds of fine students unable to attend college without such help. The Baptist Council on Christian Education expresses the hope that through increased financial assistance through the Cooperative Program and this Father's Day offering it will be possible for these colleges to maintain their high standards of training without increased costs to students. All of our colleges are fully accredited by the SOUTHERN ASSOCIATION OF COLLEGES AND SECONDARY SCHOOLS, and are members of recognized educational associations. Our seven colleges are not only good colleges from an academic standpoint but they are Christian in purpose and motivation. We believe they embody the "Seven Marks of a Christian College" as follows: Christian ownership, Christian administration, Christian faculty, Christian students, Christian ideals, Chris-

tian teachings, and most important Christian service. The end product of a Christian College will be found in Christians at work for the Kingdom. Completing their studies, these graduates go out with a fresh breadth and wholesome outlook of Christian faith in whatever they may do. We have a record of which our Baptist people can well be proud. But our colleges can do a better job with better support. Baptist churches in North Carolina will move forward primarily on trained leadeship. Let us meet the challenge our colleges are giving with diligent prayer and every means available.

Christian education takes total knowledge and translates it into the practical, workable, durable pattern of personal living for a purpose: service to God and mankind. This is no small ideal, but it is the ideal to which we as Christians should pay allegiance.

Respectfully submitted,
Mrs. Mildred Milligan

SUNDAY SCHOOL REPORT

"Speak unto the children of Israel that they go forward." (Ex. 14:15) These were God's words of instruction to Moses in an age of crisis. The order sets the direction of Christian thought and action. The call to advance is still gloriously heard. We hope it is heeded. The hand that points the way upward and onward is the same divine hand which empowers Christians to walk in that holy path of Christian duty.

Religious education is a must in the work of any church. Our Sunday Schools provide for some of our children the only religious teaching that they receive. Therefore, we should be very thoughtful and spend much time in prayer over the election of our Sunday School teachers.

The Bible must be known and loved. It is not enough for it to be merely an open book. The messages of God's word must be familiar; its very truths must live in the hearts of Christians. The Bible's marvelous spirit must be demonstrated, its doctrines must be known, its commandments obeyed and proclaimed.

Through our Officers Planning Meetings we have studied the ways in which to improve our teaching and witnessing.

Those that attended the Associational picnic at the State Park, later going to Mt. Olive Church for a film on "The Sunday School Work", were stirred to do a better job in teaching in the local churches.

We were happy to have Mr. McMannes, a State worker, lead us in our fall planning meeting at Elah Church. All Associational Sunday School officers were present with the exception of two.

The underlying purpose of the Sunday School is to help God's people know God's word and that knowing it they might practice it diligently and teach it fervently. Therein comes the training for new converts, the enlistment programs for new workers, and the intense study program for the masses. If a lifetime is to glow, it must also grow and Go.

Respectfully submitted,
Harold Williams

TRAINING UNION REPORT

"I sent you to reap that whereon ye bestowed no labour; other men labored, and ye are entered into their labours." (John 4:38)

Our central theme this year has been: "Our Baptist Heritage" and our aim has been: "Through an increased understanding of our Baptist heritage, to strengthen our convictions on beliefs which have guided Baptist growth through the years."

We hope each one of you, as you have studied our lessons in Training Union, have received a great blessing and have dedicated yourself more fully to the task of training and enlisting our church members.

This is my sixth annual report as your Associational Training Union Director of the Brunswick Association. We have not accomplished what we would love to have but we are thankful and take courage to go on in this field of training. Allow me to give you some of the highlights of our work in 1957 and 1958.

We had our quarterly officers meetings which we feel were quite helpful. These meetings preceded our group or mass meetings which were planned with prayer and study.

"M" night, December 1, was held in Southport with 250 present. Invitation was given by the Sabbath Home Church to meet with them December 1, 1958.

Student Night at Christmas was also held in the Southport Church with our students of the Association participating. Everyone enjoyed a fellowship hour after the inspirational message by Gerald Williams.

In the spring at the close of youth week in the churches, our Association had Youth Night with Elmore Hooks, a Campbell College student, doing the preaching.

One of our most challenging meetings was our Associational Tournament held at Shallotte First Church. Every group, Adult through Juniors, were well represented. Our winners went on to Fayetteville to represent us in the Region and our Junior State winner was Joan Hales of the Mt. Pisgah Church.

This coming year, May 1, 1959, our Association will be host to the Regional Tournament.

Several of our churches were richly blessed by attending Caswell Training Union Weeks. The Associational Planning Meeting in August was especially helpful in guiding us in our planning for the coming year.

Please if you do not have a Training Union in your church, strive to have one organized this year. Your director and the officers of the Training Union of the Brunswick Association will be happy to help you. Call on us!

NORTH CAROLINA BAPTIST HOMES FOR AGING

"Inasmuch as ye have done it unto one of the least of these my brethern, ye have done it unto me." Matt. 25:40

The Homes For Aging are now in their eighth year of operation — Resthaven opened March 16, 1951; the Albemarle Home, December 7, 1953; and the Administration Building, Winston-Salem, June 13, 1957. The three Homes have facilities for 119—counting residents and helpers. The average number of residents will exceed 100.

Efforts were launched in June to raise $100,000 to match a gift of Mr. Don G. Matthews, Sr., of $50,000 and land on which to build a fourth Home For The Aging to be located at Hamilton, Martin County. It is expected that the campaign will be successfully completed this year, and the construction of the new Home will then begin. This Home will provide facilities for approximately forty residents, giving a total capacity for all three Homes of 150 persons.

The Homes have had a good year financially. The auditors' report for the year ending September 30, 1957, showed that the income was $268,924.58. When the new Administration Building was ready for occupancy, $103,000 was borrowed to finish paying for construction and equipment. All of this has been repaid except $20,000. Funds received from the Special Day Offering and the Cooperative Program have helped to met the current cost of operation. The Homes have also received help from individual and corporation gifts. The largest individual gift for the year was $40,000.

A large number of the residents have been aided financially. Less than ten per cent of the residents have given to the Homes assets sufficient to pay their cost of keep for life. Thirteen residents have paid the monthly rate, which is less than the actual cost to the Homes. Most of the residents are paying one-third to one-half of their cost of keep. This means, therefore, that the difference in cost is taken from funds received from denominational channels and special gifts by individuals and corporations.

Our program of ministering to the aging presents a great challenge to the 850,000 Baptists of our state. We think, first, of the ever-increasing number of aging friends needing larger dormitory facilities, and, secondly, of doubling the capacity of our infirmary in the Administration building. It now accommodates fifteen patients, but we should have space for at least thirty. It is estimated that elderly people will become invalids at the rate of ten per cent annually. There have been times when we did not have sufficient room for those who needed to be in the infirmary. Our aging friends must look to our Baptist constituency to meet these pressing needs.

With gratitude to all who have made our present Homes possible—churchs, individuals and corporations — and with confidence that the Baptists of North Carolina will continue to care for these "old soldiers" of Christ in a deserving way, we look to the future with great hope.

Respectfully submitted,

Maurice S. McLain

REPORT OF THE COMMITTEE OF 25

The Baptist State Convention, meeting in November, 1956, entrusted to a Committee of 25, men and women, ministers and laymen from different areas of North Carolina, the responsibility of making a survey of its institutions. A year later the agencies of state missions were added to the study which the Committee had been making. This introduced a widely expanded study to an already large assignment.

The problems of the Committee have seemed chiefly to be threefold. The first is to chart a course for North Carolina Baptists in a challenging new era. It is the task of the Committee to consider the strong and weak points of the present operation of our Convention. This must recognize the need for future developments on account of population increase and a continuing emphasis upon thoroughness and efficiency. In charting this course the Committee has constantly kept in mind the need for placing a spiritual emphasis upon our entire ministry as North Carolina Baptists. A second problem is to preserve a balance for the various features of our work. A third is the task of redefining our time-honored doctrine of separation of church and state, as we face a changed policy in federal and state concern for the needy. In redefining this doctrine, we feel it most important to preserve the integrity of our denomination, and at the same time of our state.

On account of the expanded work laid upon the Committee, and the need for a strictly unbiased point of view in the study, the Committee of 25 asked the General Board for permission to engage the services of Management Consultants. This was granted, and the help of Booz, Allen and Hamilton, of Chicago, a firm well acquainted with Southern Baptist ideology, organization and aims, was secured. We believe this study will help us estimate the total resources of North Carolina Baptists, and to define goals for the future, and thus aid in giving some understanding as to how the distribution of receipts should be made.

The Committee appreciates the fine spirit shown by North Carolina Baptists with reference to this work. It requests your prayers and continued cooperation in its labors for the expansion of the kingdom of our Lord and Saviour.

E. Norfleet Gardner,

Secretary, Committee of 25

REPORT OF RESOLUTIONS COMMITTEE

WHEREAS we have assembled for the Annual Sessions of the Brunswick Baptist Association on the 22nd and 23rd of October 1958, we offer the following resolutions:

WHEREAS in 1921 the Brunswick Baptist Association met at Chapel Hill Baptist Church and in the course of election of the officers

Brother John Jenrette, late of Brunswick County, was elected Clerk for the ensuing year and

WHEREAS, pursuant to said election Brother Jenrette assumed the responsibilities incident to the work of the Clerk of the association, and in consideration of faithful performance of his duties our association re-elected Brother Jenrette each and every year thereafter up to and including the year 1950, and during said twenty-nine (29) years of service Brother Jenrette generously gave of his time, talents and financial means for the good of our association, and

WHEREAS, our late Brother did also serve our association as acting Moderator, at the 1951 session held at Beulah, Supply, North Carolina, and

WHEREAS, our association has been in existence since the year 1900, and the period of loyal and faithful service given to our association by Brother Jenrette includes one-half of the period of time that our association has been in existence, and

WHEREAS our gracious Creator, and giver of all good and perfect gifts has in His infinite wisdom removed Brother Jenrette from our midst:

NOW, THEREFORE, be it resolved that the 1958 Brunswick Baptist Association be adjourned in memory of our late Brother, and that the minutes of the association for the year 1958 be dedicated in memorial of him.

That we express our appreciation to the pastors and members of the churches who have so generously given of their time and means to make the sessions of this Association a blessing to all. Our thanks also to Antioch and Leland churches for serving bountiful and delicious dinners at the noon hour and to Shallotte First Church for making the Association welcome for the Wednesday night Session.

That we express our heartfelt thanks to Rev. and Mrs. Avery Lumsden, Mrs. Jim Scales, Mrs. Norlie Willetts and John Herbert Holden for special music during the Sessions.

That we express our appreciaton to our Moderator and other officers of the Association, to the Associational Committees who have served in an efficient and Christlike way during the past year, to the visiting speakers and each one who had a part in making these Sessions both an inspiration and a challenge to us.

That we resolve to support the work of our local churches, the Association and all other phases of Christ's Kingdom work throughout the world more zealously so that the cause of Christ may move steadily forward during the coming year.

Respectfully submitted,

REPORTS

ASSOCIATIONAL MISSIONARY'S REPORT

"One Life to Live"

The past year has brought steady progress in our field of work. Though the numerical gains in enrollment in some of the various organizations with which we work have not shown the sort of growth we could have desired, the progress has been steady. In some churches and areas growth has been rapid. We are indebted to men and women who have given of their best that the Lord's work continue to spread throughout the whole earth. We hope that each stride of progress is an indication of even greater growth in the days to come. It is to that end that we lay our plans and work with diligence striving toward the objecitve of reaching the masses of men and women so that they might be taught the full word of God and trained in total church membership for maximum service. Yes, one life to live—let us live it to the fullest for our Savior and Lord.

Because of the many different phases of work and the many avenues of service ot which your Missionary has tried to serve in the past years, it is not easy to present in a few brief words the full work of each area as I would really like to do. It is understandable, therefore, that this report prepared for our Associational Minutes must be just a summary and must deal in gist with the most pertinent information about our life's work here in the Brunswick Association.

Each of our departments of work have been aided by our State department as we have labored together here in the Brunswick. We were fortunate in having Dr. Earle Bradley and his co-worker, Cleve Wilkie in our Program of Finance, also having had Wilkie for our "M" Night in Training Union. Again Dr. Bradley was with us in a most profitable school for deacons and pastors held in the Bethel Church. This school was well attended. (Mr. Robert McRackan and Mr. Ralph Sellers furnished delicious watermelons one night for our fellowship period).

Again this year we were blessed as our churches participated in the Simultaneous Crusade. Then for the third year we held our Music School. (Each year we find that our churches are continuing their search for better music with many of our churches now using the Baptist Hymnal, with more participation in congregational singing).

Our W. M. U., Training Union, and Sunday School work has moved on in a very gratifying manner as we have heard and will hear in the various reports given by our faithful co-workers in this the Master's work. Please allow me to give to you some figures on our work.

Individual conferences:	12,104
Miles traveled	32,580
Groups	398

In this our new year, we shall look forward to a wonderful year filled with hope, love and co-operation. Yes, one life to live—let us live it more abundantly!

Respectfully submitted,
Margaret McRackan

BROTHERHOOD REPORT

Your Brotherhood President had the joy and privilege of attending two association wide meetings, our Brotherhood and R. A. Clinic at Elah Church, January 19, which was well represented, and our Brotherhood Supper Meeting held on October 20 at Leland. Ten churches were represented including every organized Brotherhood in our association. We enjoyed a very informative message by Dr. Henry Walden of Lumberton, North Carolina.

I also attended our Region 3 meeting held in Roseboro, North Carolina, where we had the privilege of meeting the Reverend Clyde Davis, a man with many years training and experience, who recently was appointed State Brotherhood Secretary. With his leadership our Brotherhood work looks indeed promising.

In spite of the fact that we have been without a State Secretary, the Brotherhood has grown faster than any other phase of our church work in the state. However the greatest growth has been in the Piedmont area of the state.

We have a few wide-awake local units but we fear, for the most part, we are either hot or cold in our efforts toward the enrollment and enlistment of the men in our Brunswick Churches in active work for the futherance of the total program of our churches.

One of the most important phases of our Brotherhood work is sponsoring R. A. Chapters. In thinking about our theme, "One Life to Live", what a wonderful challenge we have of extending our "One Life" at least another generation by faithfully supporting our R. A. Boys.

Good Brotherhoods just don't happen. They are the fruits of prayers, planning and promotion. Men, let's accept the challenge.

Respectfully submitted,

S. A. Sue, Brotherhood President

30,000 REPORT

Inspired by God and under the direction of the Holy Spirit, Dr. C. C. Warren, former pastor at Charlotte First Church and president of the Southern Baptist Convention, launched this one of our greatest undertakings for Christ.

Our people here at home wait in darkness for the gospel message. We have the message and one way in whch we can share this glorious gospel is by starting new missions and churches. Therefore, in 1956 our Southern Baptist Convention voted to launch the 30,000 movement (20,000 missions or teaching station, 10,000 churches by 1964). To date we have gone along even better than we had hoped for. Each State, each Association, and local church have their part in making this great movement a reality.

In the Brunswick Association we took as our goal five Missions. We now have four and hope to have several more by 1964.

Who is responsible for the success of the 30,000 Movement? But true, the pastor is the "key" but we should remember that this is a Southern Baptist Movement initiated by definite action of the Convention in 1956. Hence, leaders of all agencies, institutions, commissions, and committees, state secretaries, state associational and local church missions committees should endeavor to lead all of our people in the achievement of the worthy goal set before us. Without God's continuous guidance and help this gigantic undertaking is impossible, so as you work at this task know and remember—We must keep on praying.

Respectfully submitted,

Margaret McRackan

EVANGELISM REPORT — 1959

The major item of promotion for this department has been the nationwide simultaneous crusade Twenty-two churches from our association participated in this event. Although only ten churches reported on the results of their crusade, there were more baptisms reported than in any previous campaign. Had all churches responded, the results would have been a greater indication of the worth of our simultaneous crusades.

The Minutes of our association indicate that in 1958 there was an increase in baptisms for the first time in five years. In 1957, the baptism-church membership ratio was 31-1; in 1958 it was 27-1, indicating that 27 Christians were able to win only one soul to Christ. The number of churches that did not report any baptisms decreased by two, leaving only eight not reporting. These gains are also the results of our simultaneous crusades.

The Executive Committee of the association has cleared the way for another revival crusade this year. A crusade steering committee has been appointed in this session to lead us in this undertaking. Soon the dates will be announced so that more definite plans can be made. An associational-wide clinic on evangelism is being planned with the specific aim of utilizing the church council (the heads of all church organzations) as a vital force in the planning and preparation for a revival.

Personally, this work has been both a blessing and a challenge to my heart. I feel that I have benefitted more than any other as a result of this responsibility and privilege.

Paul admonishes every Christian to give proof of his calling by doing the work of an evangelist. (II Timothy 4:5). A church has no right to exist unless it exists for the purpose of winning the lost to Christ and leading them in turn to become fishers of men. May each of us, under the direction and influence of our God, commit ourselves afresh to the task of evangelism.

Respectfully submitted,
Avery Lumsden
Chairman of Evangelism

BAPTIST ASSEMBLY REPORT

Another successful year for the North Carolina Baptist Assembly is reported by Director Fred J. Smith.

During Training Union Weeks there was an enrollment of over 2,200. Conferences were held for all age groups in Training Union Methods. During these three weeks there were 40 professions of faith and 298 life commitments. Of this latter group, 203 indicated a specific interest in a church-related vocation.

As indicated by the attendance at the Church Music Week at Caswell, Baptists gave evidence of their determination to have a better trained and expanded music ministry in the churches as more than 1,000 from 42 associations registered for the conference and more than 400 attended a special Music Camp planned for Juniors.

Joseph O. Stroud, Secretary of the Department of Church Music and conference director is already making plans for an expanded program of music at the assembly for next year. He has indicated, because of the large attendance, the possibility of having a two weeks program in the future. He feels that much has been done through the Music Week at the Assembly to encourage good music in all Baptist churches. Although many of the participants returned to choirs which

cannot perform advanced music, they have experienced the higher types of music which is a part of their music education. The inspirational experience plays a major part in their development.

There are also many smaller groups from various churches which make use of the facilities at Caswell practically the year 'round.

Many improvements have been made in recent months, some being the newly painted exteriors of large residence and hotel buildings and in the central dining room new chairs, electrical equipment, tile and protective glass around the food counter as well as painted walls make this area more attractive nd convenient.

The addition of several new family sized housekeeping apartments which opened for occupancy in the Spring of 1959 helped to take care of the many guests who write for reservations. Three similar apartments in addition to these are nearing completion.

We of the Brunswick Association should count it a privilege to have such an assembly so conveniently located and avail ourselves of the splendid training and recreational facilities which are at our disposal.

Respectfully submitted,
Mrs. J. R. Scales

VISUAL AIDS REPORT

The Brunswick Association needs visual aids helps, perhaps more than any other one thing other than pastors. This is true because visual helps teach quicker and more effective than any other way. Your representative has helped several churches with showing pictures of a spiritual nature. He has helped several in making suggestions for adding visual aids. Every church should make plans to add visual aids and equipment to their teaching ministry. Adults and children alike can be taught "Christ and Him Crucified" through the aid of a picture to become a personal experience. If one picture is worth a "thousand words," then one spiritual film may be worth many sermons. This is something that every church should think about when making plans to do a more effective teaching job. Your representative will be glad to assist any churches in selecting aids and equipment in line with your desires and needs.

Respectfully,
A. S. Knowles
Visual Aids Representative

REPORT ON CHRISTIAN EDUCATION

Perhaps the most significant development in the work of Christian Education in this present year is the action of our Baptist people in adopting the report of the Convention Committee of 25 as it relates not only to the colleges but to all other Baptist institutions and agencies. We would urge all our people to read this report carefully. The Committee recommends that consideration be given to the possibility of changing the status of some of the two-year colleges to four-year colleges, and already progress is being made in this respect.

For the third year our Christian Education emphasis was observed on Father's Day, Sunday, June 21. The response this year has been most encouraging. It is our hope that the observance of this annual emphasis will result in a better understanding of these colleges and their importance in our work. Every effort must be made to keep the charges to students as low as possible. Many of our finest Baptist young people are among our lower income families and find it difficult to meet the costs of a college education.

As Baptists, we must love our colleges to the point of understanding them and their importance in all departments of our work. We must join hands with administration and faculty to make these colleges so attractive that they will be selected by our young people. As Baptist church leaders and parents of our young people, we want our colleges to be Christian and to present a positive Christian witness at all times and in all respects. As a denomination, our future will depend largely on the type of leadership we educate in our colleges.

It should be noted that much progress has been made in our North Carolina Baptist program of higher education. Among all the states in our Southern Baptist Convention territory, our North Carolina colleges constitute a program of higher education second only to Texas. The geographical distribution of these colleges throughout our state makes one of them fairly close to all our Baptist young people.

It is the earnest desire of our North Carolina Baptist Council on Christian Education that we be alert in all our Baptist churches to recognize and to direct promising young people into one of these Baptist colleges. To be able to support World Missions in something as close as our own Baptist boys and girls is a rare opportunity. Higher education is at the center of our hopes and ambitions, even our destiny, as a nation. Our Baptist people constitute a great potential in our state. As pastors, parents, and church leaders, we should face these facts courageously and lead our people in meeting this great but not impossible challenge.

Respectfully submitted,
(Mrs.) Mildred Milligan

NORTH CAROLINA BAPTIST HOMES FOR AGING

The ninth year of operation of the Baptist Homes for Aging began March 16, 1959. All three of the Homes — Resthaven, Albemarle, and Headquarters — had a good year, and have been filled practically all the year to capacity—119, counting residents and helpers. When vacancies occur, there are always more applications on the waiting list than rooms to be filled.

Since the average age of a resident is about 80 years, there were several deaths during the year. Among the deceased was the oldest resident, "Uncle" John T. Holt, formerly of Wilsons Mill, N. C. He died July 13, being 99 years of age. Had he lived until February 26, 1960, he would have been ONE-HUNDRED YEARS of age. He was a resident of the Homes nearly eight years, and for the past two years was a patient

in the infirmary of the Headquarters Building. He was, indeed, a great soul, and all connected with the Homes keenly miss him.

This has been another year of God's favor upon the Homes and of encouraging progress. While the campaign to raise funds to build the fourth Home in Eastern Carolina, at Hamilton, has not been completed, yet there is good reason to believe that the money will be secured this year and construction will begin. Mr. Don G. Matthews of Hamilton has given the land for the site, and most of the $50,000 which he promised. He is ready to give the balance when the extra $100,000 has been raised. With reorganization of plans and persistent effort, the balance needed can and will be forthcoming.

Architectural plans and specification for the enlargement of the infirmary at Headquarters have been prepared, and construction of 28 additional bedrooms should begin by September or October.

The two most pressing needs of the Homes for Aging now are (1) to finish raising the funds to start construction of the Hamilton Homes, and (2) to raise about $75,000 to cover the balance needed to pay for the additional facilities in the infirmary expansion. So, a total amount of $150,000 must be raised, therefore, to finish these two projects. When they are completed, 60 more bedrooms will be added for anxious and needy residents, thus increasing the total capacity of all the HOMES to 170 residents.

All connected with the N. C. Baptist Homes are most grateful to the churches, individuals, and corporations for the help given to offer our aging friends who live in the Homes a program of security, comfort, congeniality, and a Christian ministry.

Maurice S. McLain

MUSIC REPORT

The music department has made an effort to be of assistance to the churches of our association through the activities of this organization. The education of our church musicians was of major importance and was aided by our associational wide school of church music. By offering a number of courses, we sought to acquaint our people with the various aspects of church music. One church music conference was held for the purpose of promoting the work of this department through music for our revivals. An effort was made to bring our state music secretary and other outside workers into our association to assist us whenever possible.

Inspirational and worshipful programs of church music were planned in addition to our other activities. This included three hymn sings, programs made up of congregational singing; a carol sing at Christmas time to utilize the fine Christmas hymns. This year we shall feature another Carol Sing at Christmas as announced on our associational calendar. The Associational Music Department has also sought to lend assistance to the programs and meetings of the association by planning and preparing music for these events.

Tentative plans are already made for three group music schools to replace the one central school to which we have become accustomed. It is hoped that this will increase the attendance and efficiency of the music school.

Brunswick Association has a rare opportunity presented: in the year before us, we can become the only and first standard associational music department in the State of North Carolina. This is a real challenge, as we do not come far short of the minimum requirements of the standard. May we, therefore, dedicate ourselves to this task, and adopt as the aim and goal of our united efforts this recognition of attainment.

Respectfully submitted,
Avery Lumsden, Chairman
Church Music Department

W. M. U. REPORT

As President of the Woman's Missionary Union of Brunswick Association, I am happy to report that during the past year much progress has been made. I am sure that much of the credit for this goes to Mrs. Leroy Hooks whom I replaced the first of April. Many thanks, Mrs. Hooks, for your years of faithful service.

Our Mission Study Institutes were well attended this year. I feel that these institutes contributed greatly to the success of our Mission Study Series and Weeks of Prayer for Home and Foreign Missions.

As our Leadership Conference held in October wasn't too successful, we hope to improve on this in the coming year.

Our Youth Banquets and Camps proved to be a great success. I had the privilege to teach a mission study book to our Junior age G.A.'s and R.A.'s at their overnight camps. Much praise is due our Youth Directors and Counselors for the good work they are accomplishing with our young people. Let us strive to cooperate wholeheartedly with them in their important task.

The annual W. M. U. Meeting was held at Mt. Pisgah Church March 25th. Our speakers for the day were Mrs. H. W. Baucom, Regional Superintendent, and her daughter, Mrs. Heber Peacock, who was a missionary to Switzerland, and Mrs. Norfleet Gardner, State Prayer Chairman. I am sure that all who attended this meeting went home determined to be a more faithful and diligent worker for our Lord and Saviour, Jesus Christ.

Our Association was well represented at the two regional meetings held this year and also our State W. M. U. Meeting held in Durham.

A G.A. and Sunbeam Workshop was held in May with Miss Barbara Rodman, State Girl's Auxiliary Director, leading the G.A. workers and the Sunbeams were under the leadership of Mrs. Susie Carson, Associational Mission Study Chairman, assisted by our Associational Sunbeam Director, Mrs. Elsie Robbins. Many of our ladies received Cards of Accreditation as a result of attending this workshop.

Just after my appointment as your new Associational Woman's Missionary Union President, I had the privilege of attending a workshop

at Wake Forest for Associational W. M. U. Officers. I am truly grateful for having had this opportunity and I plan to attend all workshops and conferences available so that I may become a better leader for you and that I may study to show myself approved unto God, a workman that needeth not to be ashamed rightly dividing the Word of truth.

Our weakest point in our local societies is perhaps the most important, that of "Soul-Winning Visitation." Let us strive to overcome this weakness and pray that God will open our eyes to world needs and to our personal responsibility toward this world, which is ours to win!

Respectfully submitted,
Mrs. Ann L. Price

SUNDAY SCHOOL REPORT

The Sunday School Department has experienced a good year of cooperative planning and developing of programs and materials for Sunday School work in the churches.

Helping the churches to understand and use the Sunday School in carrying out their commission to reach, teach, and win the multitudes is the constant objective of the Sunday School Department. Therefore, I urge all of you to continue on the good work you are doing in our churches here in the Brunswick Association through our Sunday Schools. We were privileged to have Rev. McManness of the State Department to aid us in our planning meeting for the year of 1959. Our Associational officers' meetings and conferences were very helpful to those who participated. We wish that more of our officers and teachers would come to these meetings. We are happy to report that we had twenty-five Vacation Bible Schools this year with most of them having a much better grade than before. Mill Creek Church reached the standard in Vacation Bible School.

We are now participating in the 30,000 movement with four missions in operation and several more in the planning stage. This coming year we want to stress the importance of every church having a "Mission." May we count on you?

Respectfully submitted,
Harold Williams, Superintendent

TRAINING UNION REPORT

The Training Union theme for 1959 has been "Thou art the Christ." It has been an ideal theme as we have emphasized world-wide revival. The lesson courses have been most helpful as each department or class has studied personal soul-winning and enlistment of all church members in all the activities of church life.

We had hoped to reach each church this year and report that all of our churches had unions, but we failed to reach our goal. However, two new unions were organized.

"M" (mobilization) night found us with a full house at Sabbath Home Church. Our speaker for the evening was Rev. Cleve Wilkie of the State Mission Board. He was most inspiring and helpful.

All of our quarterly meetings were held — Youth Night was well attended at Shallotte First with Rev. Frank Johnson bringing us the closing message.

This year we had the privilege of being host to Region 3 Training Union Conference. This was held at Caswell Assembly with most of our eight Associations represented by a goodly number.

Our State Secretary of Training Union, Mr. J. P. Morgan, led the conference. Please allow me to say "thank you" to all of our churches that helped to furnish and to serve a most delicious meal. No group anywhere at anytime has responded so well as you did.

May we continue to enlist and train our Baptist People as we look forward to our new theme for 1960, "Training in Church Membership."

Respectfully submitted,
Reba Sellers
Training Union Director

REPORT ON THE NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital seeks to serve our people with a complete program of specialized medical care for all who need it. Our people go in great numbers, with all types of serious illness, from all walks of life, and in all financial circumstances, to receive the ministry of our Baptist medical center. A constant effort is made to keep it personal and Christian in its care of sick people.

Last year Service Patients from 95 counties of the State made over 66,000 visits to the 31 clinics of the Out-Patient Department, which is open to families not able to pay the full cost of their medical care. About the same number of office visits was made by Private or full-pay patients. More than 16,000 sick persons were hospitalized for 132,000 days of bed care.

Forty per cent of the hospital service is rendered the patients who go to the Out-Patient Clinics or who enter the hospital through the Out-Patient Department. The services of the physicians are free to all these patients, but the hospital charges must be paid unless other arrangements are made by the family.

Last year the hospital spent well over one million dollars in the care of these Service Patients. The Mother's Day Fund, along with the welfare funds and assistance from other agencies and foundations, enables the hospital to provide more than half of this service free for our very poor people. The Mother's Day Fund alone, however, has not covered the full cost of the care of even the most needy.

We need to lay upon the hearts of our members the necessity of the Mother's Day Fund, if our Baptist Hospital is to provide this important service for our poorer people.

R. A. REPORT

This has been my first year as Royal Ambassador Counselor for the Brunswick Association. At first, I felt it was such a big undertaking and I almost didn't accept the great responsibility but happy am I that I did. I have felt that it has been a great privilege to me as I have served this year.

In the very beginning, I met with our Missionary, our G. A. Director, and our Brotherhood President to discuss and formulate plans for the year. In the fall, I attended the Brotherhood Regional Convention at Roseboro. In the spring we had our R. A. Rally in the park on Highway 17 with 95 boys and counselors present. Here the boys had a wonderful time as we had fellowship and later an inspirational meeting. At this meeting the boys helped us to plan for our night camp which was held at our assembly this fall.

To me this was the high-light of the year when 55 boys and men (our only women were our mission study teachers) had a most enjoyable meeting—feasting, fun, and worship.

Let me thank everyone of you for helping in making our camp the best yet and for each boy who participated, I want to say, "You are our men of tomorrow."

Respectfully submitted,
Sam Corbett, R. A. Counselor

G. A. REPORT

As I attempt to bring the annual report of the Girls Auxiliary work done in our Association the past year, we are grateful for those who invested time, energy, study and prayer that the program might go forward. It is difficult to say where or by whom seeds have been planted in individuals, but I trust we are worthy of saying with Paul, "I have planted, Apollos watered; but God gave the increase." I Cor. 3:6.

In the fifteen years I have served I have seen many changes. The growth has been remarkable yet there is a big task to be accomplished and it will take all of us to spread the gospel to all people everywhere. God has blessed our fellowship together and our cooperation with Him in His Kingdoms work and we pray that another year may find us really dedicated and "a prayer within the heart."

My heart goes out to our young people. They so need dedicated, consecrated leaders to lead them in this great work for Christ. They are our leaders of tomorrow. The growing number of youth organizations reflects a concern for the Missionary education of our young people. We must let our lives be a living example for them; let each day be a new day as we strive to live closer to Him, that we might lead them in the right way, the only way, to Jesus. The task is not finished, we must continue to teach our young people through Girls Auxiliary to assume the great call of Christ "Go ye into all the world."

In all our work may we remember we are "Labourers together with God" for "ye serve the Lord Christ."

I will attempt to give you some of the activities of the past year. Three coronations and presentation services, one Mother-Daughter Banquet, two overnight camps and three Queens attending the Queen Court at Campbell College.

As we "lift up our eyes and look on the fields" we are grateful that God has permitted us to work with Him in helping a lost world to know the Saviour.

Changes will come, new faces will take the place of old. See to it, only, that you listen to His voice and follow where Christ leads. Be gentle in your personal lives, faithful and shining. Be prayerful in your planning, be patient and persistent in your fulfillment. Endeavor to see the world from God's standpoint. Plan not for the year, but for the years. Train the young people for worldwise service. Lead them gently into places of joyous responsibility. Bring all your possessions into the best service of the best King. Thus shall your work abide and be abundantly blessed of God to your own joy and to the joy of God.

In the belief that you will continue to adorn the doctrine of service, I bid you, dear friends, farewell.

Respectfully submitted,
Mrs. L. J. McKeithan

Y. W. A. REPORT

Many of our girls, ages 16-25, get married and others go away to college; thus we have less prospects for Y. W. A.'s in the Mission Organization.

We have had five Y. W. A.'s this year in our Association but only 3 of them making any report.

We led one conference for counselors and one conference for the young women this past year. We had an Associational Banquet in February with the theme "Shining Like The Stars." This was well attended. A White Bible Ceremony was conducted in one church.

Our goal is for at least two new Y. W. A.'s this year, and a strengthening of the present ones.

We want our young women to truly shine as the stars. In the words of Daniel and our watchword: "They that be wise shall shine as the brightness of the firmament and they that turn many to righteousness as the stars forever and ever." Daniel 12-13.

Respectfully submitted,
Mrs. W. Luther Hawkins

SUNBEAM REPORT

"And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up." Deut. 6:7.

Our children are our greatest heritage, not only to our country but to Christianity. In nursery we teach him about the love of God and the ownership of God through the creation of nature. As he grows older we go on to our duty to God and see that all children shall know of God and His love. We teach the likeness of people of all nations instead of differences through songs and games that are like they sing and play, only in another language.

I felt God wanted me to be a missionary man when I was a Sunbeam, said a beaming young missionary appointee. My leader made the people so real I could see their needs. I made up my mind then one day I would go anywhere my Lord wanted me to go. This can be multiplied many times.

We have 13 active Sunbeam bands. We held our first Day Camp this year at Camp Pretty Pond. Twenty-nine children and 8 workers were present. Since I have been leader I have majored on leadership training. We have had two workshops, one led by Miss Beverly Neilson, the other by Mrs. Susie Carson. Seven of our leaders have gone on to receive their cards of accreditation. I am very proud of these leaders who are doing a good work. I would love to see a Sunbeam band in every church in Brunswick, but I also believe in quality as well as quantity, for in these Sunbeam bands are the W. M. S. and Brotherhood members of the future. Our children need our love, patience, leadership and prayers as never before. This prayer clipped from Charity and Children expresses the way I, and I am sure the other local leaders, feel for the children we lead.

Dear God, protect our children in
Our trying times today.
Watch over them especially
Along their early way.
They do not know or understand
The problems they must face
They need Your guidance in this world
And all Your loving grace.
We want to help them all we can
And so we strive to do
But as our danger grows each day
Our hearts appeal to You.
Protect them, God, from sin and harm
And from Atomic rain.
Let not their struggles through the years
Turn out to be in vain.
Protect our children, give them strength
And guide them to their goals
That they may gain eternal day
For their immortal souls.

Respectfully submitted,

Mrs. Dewey Robbins

AMERICAN BIBLE SOCIETY

The American Bible Society rejoices in Southern Baptist plans for the Baptist Jubilee Advance, 1959-1964, because Southern Baptists thoroughly recognize these basic missionary principles:

1. People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

2. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

3. In most countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave — and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves every form of Southern Baptist mission work at home and abroad. The Society helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost, for worldwide mission work. For the Blind, it supplies Scriptures at a small fraction of their cost, in Braille and other raised-letter systems and on Talking Book records.

During 158 the American Bible Society—

—distributed around the world a record total of 16½ million volumes of Scriptures.

—donated more than one million Scripture volumes for distribution by the Chaplains to our Armed Forces, as a vital link between the home churches and the men in service.

—enlarged the ministry of the Finger Phono, a phonograph operated by one finger, now being supplied, with Scripture recordings in the languages needed, in areas where few people can read. They are in use in the U.S.A. among Navaho Indians and in Africa and Asia. In 1958 the program was expanded to include 25 additional languages.

Because the Bible Society serves mission work—and because Southern Baptist missionaries depend on the Society for Scriptures they need for distribution to their people — Southern Baptist churches give to the American Bible Society.

In 1958 Southern Baptist churches gave $162,199 to the American Bible Society—and for the first time stood first among all denominations, because Methodists, who led for many years, dropped from $174,447 in 1956 to $147,935 in 1958.

In 1959, the first year of the Baptist Jubilee Advance, people in mission lands—and the missionaries serving them—look to Southern Baptist churches to continue their increased support for providing the Word of God for every man in his own language.

Southern Baptist churches can continue to lead in support of the American Bible Society if every church will give. Here are suggestions, based on what many churches are doing:

Every church can give at least these amounts each year:

Country and village churches	$10 to $25
Churches in small cities	$25 to $100
Larger churches	$100 to $200
Great city churches	$200 to $500 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

Kirby Sullivan

REPORTS

REPORT ON BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

The contacts, impressions and surroundings of a person largely make up his mind, habits and actions. Even a worm takes on the color of the plant or leaf on which it feeds. Human beings take on the color and nature of what they read. Never before has there been so much to read. Publishers have dressed up their wares in rainbow coolrs, and used every style, trick and art of printing to make their publications look tempting to the eyes of young and old. Much of this popular literature is bad. It pours like a stream of poison from the presses of profit-hungry publishers. It loads down the news stands, and clogs the mail-boxes of all who will buy and receive it. Much of this unclean reading matter gets into Baptist homes. This should never be, for no other denomination has so wide a variety of good Christian literature as Baptists have, to meet the spiritual interests and needs of every member of the family.

How much sound, clean Christian literature comes into your home each week to lift up, inspire, and enrich the minds and hearts of your family? Is your Baptist state paper coming by mail into your home each week? Is your mail-box getting only that which is good and wholesome to read? Is you reading table a silent witness to your Baptist faith and practice, or its it cluttered with much that carries the seeds of evil on the printed page? Do you always remember that Christian literature aims to enlist, unify, teach and inspire people for nobler Christian service?

When North Carolina Baptists organized themselves in 1830, Thomas Meredith, appointed by the body to send out a letter stating its purpose, said: "The Convention was organized for the purpose primarily, of giving the Gospel to North Carolina, and then to all the world." The Constitution of the Convention soon afterward stated that its main purpose was "The promotion of missions, Christian education, social service, and the distribution of sound Christian literature." The BIBLICAL RECORDER was founded in 1833, to help carry out these noble aids. For 125 years, it has borne the Baptist message in North Carolina. By careful planning, and with the fine cooperation of pastors and their people over the State, we have had a good year in general, with circulation approximately 63,000 and still growing.

The RECORDER has three subscription plans: Single subscription is $2.50 a year. The Club Plan, with 4 or more subscriptions, is $2.00 a year. The Every-Family Plan, with one subscription to each resident family or home in the church, is only $1.50 a year. Pastors, RECORDER representatives in the churches, and others have been faithful in securing renewals and new subscribers and we wish to thank them for their fine service. Our General Secretary, State workers, associational missionaries and other have given their fine services. Our General Secretary, State workers, associational missionaries and others have given

their continued interest and support in promotion of wider circulation. We wish to express our thanks to them.

We sincerely urge all pastors, associational workers, Sunday School superintendents and officers, State workers, Training Union, Brotherhood, W.M.U. members and others to promote in every possible way the Every-Family Plan or at least a good-sized RECORDER club in every church. The Baptist paper ought to go into every Baptist home.

The RECORDER and its staff members seek to be of every possible service to North Carolina Baptists. Remember us in your prayers; call on us for any service we can render. We want to be faithful to our task; that the RECORDER may be a true and faithful witness every week in every Baptist home and community. We must all work together in the will of God as we strive to promote every worthy cause and object dear to the hearts of North Carolina Baptist people.

Respectfully submitted,
Rev. J. D. Hales, Jr.

THE BAPTIST HOME FOR AGING

The Baptist Home for Aging began its tenth year of operation on March 16, 1960. The homes consist of three—Resthaven, Albemarle, and Headquarters. A campaign to raise funds to build a fourth Home in Eastern North Carolina at Hamilton is still under-way. Mr. Don G. Matthews, of Hamilton, gave the land for the site and $50,000 to the Baptist State Convention.

Last year a contract was awarded to R. K. Steward & Sons, of High Point, to construct the Infirmary Annex which added 28 additional (single) bedrooms and some needed utility rooms. When the present projects are completed the capacity of all the homes will be 170 residents.

The Homes are supported through the Cooperative Program, Special Day Offering in February, and private contributions.

One of the most pressing problems of our society is the caring for its growing number of aged persons. The Register General's tables for 1952-54 show that the expectation of life at birth for males is 67.31 years, and for females, 72.68, which represents an astonishing increase of 27 and 31 years for males and females respectively since 1841. Between 1942 and 1954 expectation of life at birth increased by 5 years, and there is every reason to suppose that the trend will continue.

All connected with the North Carolina Baptist Homes are most grateful to the churches, individuals and corporations for the help given to offer our aging friends who live in the Homes a program of security, comfort, congeniality, and a Christian ministry.

Respectfully submitted,
Emory F. Young

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The Ministry of our Baptist Hospital reaches out to every area of our state with spiritual as well as physical healing. Last year it served more than 17,000 bed patients with 150,000 visits made to the clinics and

offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, churches, and almost all our communities have been served by this ministry of healing.

Sickness is no respector of persons or pocket books. It strikes the rich and poor alike—the widow, the orphan, the aged. There are times when they need such specialized care as that available at our Baptist Hospital. The generosity of Baptists on Mother's Day has made it possible for the Hospital to live by the principle that no persons who need its care shall be denied it because they cannot pay the full cost. Our Hospital almost doubles our gifts with matching funds from welfare agencies and other gifts. In addition to this, the medical staff gives its services without charge to all service patients.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus, in the example that he set, gives us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. As the needs have increased so must our offerings be increased. Our Baptist Hospital has never turned away a patient whom they could help, because the patient could not pay, and it hopes it never has to do so.

There are nearly 900,000 Baptists in North Carolina. If each of us would give according to his ability, the problem would be solved.

We need to get serious about this minstry which was so close to the heart of our Lord. Everywhere Jesus went He was moved with compassion for the sick. Let us demonstrate our Christian compassion by supporting our Baptist Hospital through our Mother's Day Fund. Our Hospital is facing a grave financial problem, and if it is to continue to give free service, we are going to have to contribute the money to finance the program.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give of their means. We should feel privileged to match in generosity the pride we feel in our Baptist Hospital's great ministry.

I want to take this opportunity to thank the churches for their support. We were almost 100% this year. Our Mother's Day Offering was $830.31. Let us work toward a higher goal next year.

Respectfully submitted,
Mrs. T. M. Corbett

ASSOCIATIONAL MISSIONARY'S REPORT

Mr. Chairman, messengers, and friends of the Brunswick Association, it gives me a peculiar pleasure to stand before you this morning and bring to you the report, or in part the report, of the happenings here in our association and my personal report as I have worked with you.

Allow me to thank each one of you for your splendid cooperation. To the host of new pastors let me say, "If you will be to me what the past pastors have been I shall be very grateful."

As most of you know, I had a very tragic accident on December 15 and our pastors along with many of you helped me in so many different ways. Especially as I felt the hand of God holding me up in those trying hours while you prayed for me and for those I had grieved so much.

As I have worked with the various departments in the Association we have been able to "lengthen our cords and strengthen our stakes."

This year our Music, Sunday School, Training Union, and W. M. U. have had regular quarterly meetings with good attendance. The Brotherhood sponsoring our Royal Ambassadors have also made good contacts and are now on the way toward "leading out" in our Association. The Executive Board of the Association met each quarter with almost everyone present everytime. At the State Clinic last February we set a goal for 100 per cent Vacation Bible Schools in our Association for this year. Only two churches, Longwood and Beulah, failed to have Vacation Bible Shools. We had three mission schools. Several of our churches that have never given through the Cooperative Program are doing so now. However, a few of our churches have cut their offerings some. Please let us not weaken our stakes by letting our lifeline slacken. Let us be good stewards of that which God has given to us. Rev. O. J. Hagler and Dr. Earle Bradley helped to broaden our visions when they led us in our "Forward Program of Church Finance."

I hope our bulletins and calendar of activities have been a help to you. It has been a pleasure to send this each month and I hope you will feel free to continue to send us news of the happenings in and about your church. Approximately 250 bulletins go out each month. Letters and cards added make a total of 3,600 pieces of mail for the year. Miles traveled, 32,973. Visited in every church community, teaching, speaking, and holding prayer meetings in most of our 29 churches. Taught the Home and Foreign Missions series and our book on Educating Youth in Missions. Having had 427 group meetings and 1,142 individual conferences with 23 committee meetings. It was also my privilege to attend our Baptist State Convention, Regional Training Union Promotional Planning Meetings, Sunday School Convention, and we were host to the Regional W. M. U. Meeting, having had the most present that has ever been known for a Regional W. M. U. Meeting. Also attended the Association Missionary's Conference at Caswell and taught a "Bible Teaching Class" at the G. A. State Camp for intermediates. Our own overnight G. A. Camp was well attended and our girls and Counseolrs had such a wonderful time. As we look toward the year of 1964, our great Jubilee Year, let us determine that our theme this coming year, "Stewardship and Enlistment" will match our years of prayer and preparation for this great event in Baptist history. May we pray more ernestly, seek those who are lost, and give of our time, talent, and means that God's Kingdom may "reach the unreached" throughout the whole wide world.

Mrs. Margaret McRackan

W.M.U. REPORT

Again this year I bring to you our Annual W.M.U. Report. We are happy to report one new Womans Missionary Society and several new Youth Organizations. Perhaps none of us have done our best, but with God's help, we strive for bigger goals each year.

Our new year began with our Annual Dinner for Presidents and Pastors. Other inspirational meetings were a dinner for G.A. Counselors and Directors, Husbands Party for husbands of our W.M.U. Executive Committee and the Youth Banquet and Coronation Service held at Caswell.

A Mission Study Institute and Leadership Conference was held at Elah Church in October 1959 and a study of the Year Book was taught at Shallotte First and Elah Churches during September 1960.

In February I took our new Sunbeam Band Director, Mrs. Mildred Thompson, and one local Sunbeam Band worker to the State Sunbeam Band Workshop in High Point. In November 1959 Mrs. Margaret McRackan and I attended the Regional W.M.U. Executive Committee Meeting in Lumberton. Plans were made for our Regional W.M.U. Meeting to be held at Caswell. This meeting was the last Regional Meeting to be held due to disbandment of W.M.U. Regions. Your President was presented with a check for $25.00, to be used in our Associational W.M.U. work. Our Association acted as host to the ladies present. A most delicious lunch was served to between 275 and 300 people. Mrs. A. L. Parker, First Vice-President of the State W.M.U., explained in full the Leadership Course and Mrs. Mitchener showed slides of our Missionary Work in Africa.

Our Annual Associational W.M.U. Meeting was held at Southport Church on April 7, 1960. Miss Kathryn Bullard, State W.M.S. Director, gave a most enlightening talk on "Trainng Youth for Missions" and Miss Jean Stamper from the Good Will Center in New Orleans, told us

of the work our Good Will Center there is doing. Both our Annual Regional and Associational Meetings were well attended, as were all the other meetings held during the year.

In August of this year, eight of our Associational W.M.U. Officers attended the State W.M.U. Workshop in Goldsboro. These Workshops and Leadership Conferences are provided so that we may better train ourselves to lead and teach your youth.

Our Youth Camps were well attended and enjoyed by the leaders as well as the children.

In this current year of emphases on Leadership and Educating Youth for Missions, it is with sincere hope that each of us, from the youngest to the very oldest, may grow in world vision and dedication to the Christ who is ours to share.

Respectfully submitted,
Mrs. Ann L. Price

REPORT ON CHRISTIAN EDUCATION

North Carolina Baptists promote a program of education much wider in scope than that represented in their seven colleges. In the local churches there are numerous activities along with the Sunday School relating to education. Vacation Bible schools, Training Union W.M.U. organizations all are helping in this direction. We should be proud of the work being done in our county toward educating our youth in Christian principles, and yet it should challenge us to greater efforts.

Through the Southern Baptist Convention, as Baptists, we can share in the promotion and support of our seven seminaries and our seven colleges. In recent years there has been a marked growth in the interest of North Carolina Baptists in their colleges. Only this year a promotion program for making a four-year college of Campbell College has been of interest and concern to southeastern North Carolina. Many in our county have participated in fund-raising campaigns. For fifteen years the work of these colleges has been coordinated and studied through the Council on Christian Education. This Council sense the deep needs in our colleges. They ask that Baptists face the facts with vision and courage and provide Christian education for our future leaders. We need a Forward program to aid our overcrowded colleges. Let us not be afraid to think together and ask God to guide us to do His will in whatever we do.

We are blessed at this time with zealous and informed leaders exerting every effort to improve Christian education. As we pledge anew our loyalty, as we rededicate ourselves to an ever-increasing service to youth and to all mankind may this simple prayer be ours for now and for the years that lie ahead: "Lord, make me an instrument of Thy Peace."

Respectfully submitted,
Mrs. Mildred Milligan

AMERICAN BIBLE SOCIETY

The Bible is "The Book for Everyone." This is more than a slogan. It is the deep conviction of the American Bible Society and of all who recognize their stewardship of the Word of God.

If the people of the world are to know Jesus Christ the one hope of men and nations, they must have the Bible.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

But, in most countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves every form of Southern Baptist mission work at home and abroad. It helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost.

During 1959 the American Bible Society—

—donated more than a million Scripture volumes for distribution by the Chaplains to our Armed Forces and to Veterans' Hospitals, providing a vital link between the home churches and the men and women in service.

—approached its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised-letter systems and on Talking Book records.

—rejoiced that some part of the Bible has been published in 1151 languages: the full Bible in 219, a Testament in 271 more and a Gospel or other complete book in 661 more.

—continued to supply Scriptures in such strategic areas as West Germany and other lands along the Iron Curtain, Africa, Latin America, Japan, Korea and India — and to many Chinese now living in other countries outside the communist-controlled China mainland.

—distributed a total of more than 17½ million Scripture volumes. This was an increase over the 15 million volumes averaged in recent years, but still short of urgent needs.

Last year all the Bible Societies of the world together distributed over 27 million volumes of Scriptures. But, that is less than the number of people who learn to read each year!

Many people around the world now wait for the Bible—wait for gifts to the Bible Society to make up the difference between the cost and the price they can pay. How long must they wait?

Southern Baptists Support the Work

Because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Society for Scriptures they need for their people—Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

One year, 1958, Southern Baptist churches led all denominations in gifts to the American Bible Society. But in 1959 Southern Baptist gifts of $144,200 stood second. Methodists led with gifts of $156,244. Gifts from all churches in the U.S.A. totaled $955,135.

The help of every Southern Baptist church is needed each year. Have you or your church given to your American Bible Society this year?

Please send gifts to the North Carolina Baptist state office marked "for the American Bible Society."

Respectfully submitted,
Kirby Sullivan

BROTHERHOOD REPORT

Southern Baptists face no greater challenge than that of enlisting the hundreds of thousands of men who have their names on the rolls of our churches but who, at present, seem to have very little interest in any part of the program of the church.

The need of enlistment of this host of men is two-fold: First, the church needs the men, and, second the men need the church.

We must realize anew that the progress of our church is large enough in its cope to command our best. In this realization we must devote ourselves to the task of supporting and promoting all the work at home and abroad which Christ has assigned to his Church. The challenge facing Christian leadership is to pray, plan, and work that the power residing in the men of the churches may be released and utilized in the promotion of all the work of Christ.

At the start of the year we had eight (8) churches reporting a brotherhood.

On January 28, there was a brotherhood clinic at Bolivia.

On November 7, the executive brotherhood met.

November 17: A brotherhood was organized at the New Life Church. The pastor is Rev. Richard B. Williams; president, H. L. Russ.

April 28, Region 3 Brotherhood met at Temple Church in Wilmington.

June 3, The First Church, Shallotte, organized a brotherhood. The pastor is Rev. Frank Johnson; president, A. E. Inman.

June 13, Supper meeting at Caswell with sixty (60) present. Mr. Clyde Davis was the speaker.

August 25, The Elah Church organized a brotherhood. Rev. Bruce Lanier is pastor; president, Sam Corbett.

September 30, Region 3 had a workshop for all associational brotherhood officers. And our Association had the largest representation.

To enlist the men and utilize their talents and efforts for Christ is the challenge of the Church Brotherhood. Will we as Christians accept the challenge?

Respectfully submitted,
S. A. Sue

ROYAL AMBASSADOR

The Royal Ambassador organized after being under the sponsorship of the Woman's Missionary Union for fifty years became the responsibility of the Brotherhood on October 1, 1958. Since that time the R.A. organization has taken on many new characteristics, but perhaps the most notable is the masculine leadership given by the Christian men of our churches.

The Boys of the church community have every right to look to the Christian men for guidance. Unless such men provide leadership, the boys will seek it elsewhere. Hence, every church should have a brotherhood to provide an aggressive and attractive Royal Ambassador program.

On January 1, 1960, the Brotherhood Leadership and Service Training Program was inaugurated for the purpose of giving men who will assume responsibility of leadership in Brotherhood and Royal Ambassadors the materials and training to do the best feasible job. Under this new program one of the most important committees is the Royal Ambassador Committee under Royal Ambassador Leadership. Through the strengthening of the Associational Brotherhood and the local church Brotherhood more and more Brotherhood men are becoming familiar with R. A. work.

One new emphasis in R. A. work is Campcraft. A new book, Royal Ambassador Campcraft is now available from the Baptist Book Store. Last summer more than 25,000 boys attended R. A. camps in 22 states.

At the State Brotherhood Convention held in Greensboro on October 3rd a hearty approval of a resolution favoring the building of a R. A. camp upon a beautiful tract of 888 acres of wooded land near Asheboro was given with a request to the General Board and the Baptist State Convention to look with favor on the project.

From the best informaion available abou 20 R. A. chapers are reported in our Association with about 200 in enrollment. There was no R. A. overnight camp held this associational year due to not finding a convenient time, but it is hoped that in the near future one can be scheduled. Brunswick Association was well represented at the District Brotherhood and Royal Ambassador Clinic held in Whiteville, August 30th. With the high interest shown at this clinic among our associational officers it is felt that the new year will be one in which many new Brotherhoods and R. A. chapters will be organized.

MUSIC REPORT

Almost one half of our churches participated in our associational music meetings this year. A music conference was held in January at Shallotte First Church for teaching and training the music leaders of our churches.

A carol sing in December, 1959, at Town Creek and a hymn sing in May, 1960, at Shallotte Church gave an opportunity for worship, in-

spiration, and training as various churches joined in singing old favorites as well as learning some new hymns.

Two group music schools were held in August, one at Leland and the other at Soldier Bay. Classes for Intermediates, Young People, and Adults were taught in music reading and hymn playing followed by a combined choir rehearsal. The Juniors also had a class in which they not only learned many hymns and anthems, but also studied theory of music.

Some of our churches took advantage of the wonderful opportunities provided by our state music department at the Junior music camp July 11-16, and the church music workshop July 18-23, at Caswell where classes in all phases of church music were offered including theory, voice, piano, organ, graded choirs, and song leading. Participation in choirs led by well known conductors is very rewarding. Inspiration worship services are held each evening. Let us all plan to attend these music weeks at Caswell next summer and the associational music meetings so that we can better train ourselves for a worthy music ministry in our churches

G. A. REPORT

I would not fail to say that a great part of this report belongs to Mrs. L. J. McKeithan who served as G. A. Counselor for a part of this year. To her I extend many thanks.

I am grateful for the dedicated, efficient leadership of our beloved missionary, Mrs. Margaret McRackan, our W.M.U. executive committee, our local counselors, pastors, and many others who have so graciously given of their time to make this report possible.

It is impossible to report the personal joy that was mine during this year. First at Queen's Court at Wingate College, where our own Rachel Kye presided over the Sunday morning meeting. Seven of our girls attended the Queens' Court along with Mrs. McRackan, Mrs. Wolf, one of our local counselors, and myself.

Then in June we had family night at Caswell where the program for the night was an associational wide Coronation in which 75 G.A.'s and R.A.'s participated.

The overnight camp at Caswell was another inspiration for the girls, Fun, Forward step work, and quite hours of Bible study had a great impression on these young girls.

Many girls have advanced in forward steps this year, and one reached the very top to receive recognition for completing Queen-Regent-in service, a first for us here in our association.

Several of our counselors and directors have been willing to train in order to develop a stronger mission program in their local churches, and now hold accrediation cards for having completed the Basic Girls Auxiliary Leadership course.

For God's leadership and blessings, I am profoundly grateful, and may God lead us and use us for His glory, as we seek to promote Girl's Auxiliary work here in the Brunswick Association.

Emma Young

SUNDAY SCHOOL REPORT

The program of Sunday School work is designed to discover, develop, and promote principles and methods for the establishment, enlargement, and improvement of the Sunday Schools, Vacation Bible Schools, and Weekday Bible Study in the churches.

During our last year our enrollments have increased throughout the Southern Baptist Convention, giving Southern Baptists the largest enrollment by any denomination. Do you know what our greatest need has been in the Brunswick? Buildings! More dedicated leaders! More training!

The field program of the Sunday School department included the following activities this past year:

1. Vacation Bible School Promotion. We had twenty-seven of our twenty-nine churches to have Vacation Bible Schools with three of these Standards and several "A" Schools. More schools had two weeks than ever before. Our Associational workers attended the State Clinic and then held a most helpful Clinic in our Association. Mrs. Dewey Robins held one school for Negroes and two of our Missions (Calabash and Shell Point) had schools making a total of thirty Vacation Bible Schools this year.

2. Training Sunday School Workers. In October, 1959, the Sunday School Training Course became a part of the Church Study Course for teaching and training. Antioch Church under the leadership of Rev. Luther Hawkins awarded twenty-four diplomas with two of them completed with red, blue and gold seals. Rev. Jack Bagwell from the Sunday School State Department preached the sermon and Mrs. McRackan presented the diplomas. Other churches are now working in this important task of training our leaders. The Bible Survey Plan launched in October has been received enthusiastically by the churches throughout our Convention.

3. Sunday School Clinics. State clinics and associational clinics were most helpful this past year. Our people up Leland way enjoyed the State Clinics in Wilmington.

4. Officer Committee Meetings. Our quarterly executive meetings have been most helpful. Rev. U. A. McMannes, our regional superintendent, met with us and made plans for the Sunday School year. Each quarter we have met in the homes of our committee for planning and fellowship. Let me thank each one for your faithful attendance to this meeting. Our officers studied the Associational plan book and most of them have their awards for this study. You will find the officers and

their addresses in the minutes of our Association. Call on us; we want to help you and we want you to help us make this our greatest year in Sunday School work.

Respectfully submitted,
Harold Williams

EVANGELISM REPORT 1960

The major item of promotion for this department has been the associational simultaneous crusade. Fifteen of our churches reported results of 69 professions of faith and 18 additions by letter.

A second endeavour of this department was the associational evangelistic clinic at Supply Baptist Church on January 14th. There were 16 churches represented and a total of 125 people present.

The executive committee of the association has cleared the way for a Baptist jubilee revival next fall. This is an effort to have a two-week revival meeting in every church. We have long felt that one week is not enough. How often have you closed out a one-week meeting feeling that you should continue because of the working of the spirit in your community.

October 2nd through 14th has been set as the time for our Jubilee revival in 1961. We ask you to return to your church and urge your people to take part in this great evangelistic crusade. We suggest that, if necessary, you exclude your spring meeting and have two weeks in the fall. We believe you will receive a blessing beyond your wildest dreams.

Respectfully submitted,
W. Amis Daniel

TRAINING UNION REPORT

The program of Training Union work is designed to discover, develop, and promote principles and methods for the establishment, enlargement, and improvement of the Training Unions in the churches.

Here in the Brunswick, we have had a part in all these phases as we have tried to lead our people to "Study to shew thyself approved unto God, workmen that need not be ashamed." Our state, regional, and associational meetings have been most helpful. Several of our juniors were State winners again in the junior memory work.

Youth week, youth night, and Christian home week were observed by many of our churches. "M" Night at Elah was climaxed by an address from one of our own Training Union Men of the past, Rev. Stacy Wells of Wilmington. Our quarterly executive meetings have inspired each of us to want to do more in the future.

Please allow me the time to thank each one of you for having had a part in helping me as we have helped others in Training Union. I have been your director for the past eight years and have learned to love so many of you as we have worked together here in the Brunswick. I wish

that our goal of a Training Union in every church could have been reached and I shall continue to work and pray that we shall still reach every church as 'We train in church membership" through out great Training Union Program.

Respectfully submitted,
Mrs. Dewey Sellers

VISUAL AID REPORT

There has been some increased interest in teaching through the help of visual aids all over the Association. Churches still lag in owning projectors and other visual supplies and equipment, but there has been a number of inquiries made that indicates more interest in this method of teaching.

Each church should set up in its budget a reasonable sum to improve the visual equipment needed to do a better job. As has been pointed out before, the mind can learn much faster and longer those things that are seen through the eye. Jesus did not have the modern visual equipment to teach his Disciples, but he used the next best thing. He used word pictures or parables, if you please. I hope each church in our Association will endeavor to improve its method of teaching. Showing Christian pictures is one of the best ways to teach.

Respectfully submitted,
A. S. Knowles

30,000 REPORT

Each year brings us nearer to our Great Jubilee Year 1964. Our time for promoting new missions and churches is now almost half over and many of us feel that this is our day as Southern Baptists to win our world for Christ. As figures now stand, we are not as far along as our leaders had hoped.

Here in the Brunswick we have reached our goal so far, but let us not forget that as long as we have lost people in communities that have no church or mission we are responsible for them. We now have six missions in operation. Here are some of the opportunities in Institutional Services:

Participation in the 30,000 Movement is possible for most Southern Baptist churches through establishment of mission services in nursing homes, hospitals, sanatoriums, homes for aged, homes for crippled children, fire stations, jails, work camps, detention homes, and many other such institutions. A well-planned, regular program of Bible study and worship can thus be provided for thousands who are presently without any spiritual ministry at little or no cost to the churches.

July-December 1960 has been designated by the 300,000 Committee for special emphasis on this type of mission work. A goal of starting 2,000 such missions has been adopted. Every association and every church is requested to "take a good look" at these opportunities to witness effectively for Christ.

The Associational Missions Committee should take the lead in this effort. This committee, or perhaps a sub-committee responsible for this phase of the mission program, should (1) make a careful survey and list all the institutions in the area, (2) develop a plan whereby a church will assume responsibility for the spiritual ministry in each of these institutions, and (3) provide guidance to the churches in making contacts with the institutions and in selecting and training workers. Obtain from the Home Mision Board the tract on Institutional Work by Fred G. Tucker.

The WMU, Brotherhood, Training Union, and Sunday school organization can be enlisted by the church missions committee to conduct services at regular intervals in these institutions. Workers for this ministry should be carefully selected and trained for their responsibilities.

Respectfully submitted,
Mrs. Margaret McRackan

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The Baptist Children's Homes of North Carolina, Incorporated, is a multiple service agency providing Christian love and nurture for more than 800 deserving boys and girls annually.

The three homes are: Mills Home at Thomasville with 311 children, Kennedy Home at Kinston with 165, and Odum Home at Pembroke with 24 children. We have visited two of these homes this year.

There are 160 children in Foster Homes, and 40 others who are assisted by Mother's Aid. Case work supervision is afforded by 30 college students annually.

Children attend public school and participate in all school activities. Opportunities for Christian commitment and spiritual growth are afforded on the campuses, in the cottages, and through the Churches.

Relatives, pastors, social service agencies, and interested friends make inquiries about admission of children in need of care. When applications are received, well trained case workers make a thorough study of each situation to determine the need and the best possible plan of care for the child.

The Social Service Department of the Children's Homes affords case work services throughout the state. Individuals, families, pastors, and Churches are entitled to this help upon request.

The Baptist Child Care Program is supported through the Cooperative Program 31.5 per cent, Thanksgiving Offerings 31.1 per cent, Once-A-Month Offerings 21.9 per cent, Special Gifts and Endowment 15.5 per cent.

Income for the past three years has not been sufficient to meet minimum needs. Many children have been denied a Christian home whom we should have served. An increased Thanksgiving Offering is imperative this year.

North Carolina Baptists have been caring for homeless and dependent children for 75 years. Appropriate observance of the 75th Anniversary will be made in November. During these years, more than 8,000 children have been afforded life's best opportunities. The need for such services increases with the development of industry, increase in population, growth of cities, and the mounting tensions which accrue to families in an urbanized society.

John E. Roberts became Editor of **Charity and Children**, June 1, 1960. We invision, under his editorship, this paper making an increasing contribution to the total life of our Baptist people.

North Carolina Baptists will continue to love and serve dependent children. No other object is so worthy of service and sacrifice. Many areas of unmet need confront us each day. Your continued interest and increasing support will help us meet them.

Respectfully submitted,

Mrs. Dewey Robbins

We also express appreciation to Town Creek Baptist Church for inviting the Association to hold the Wednesday evening session in their church.

We send a letter of thanks to our visiting speaker at the Wednesday evening session, Rev. Herbert Baker, Pastor of Olive Chapel Baptist Church of Apex, N. C., for his time and effort spent in making that service one of great inspiration and spiritual blessing.

We extend to the officers of the Association, to each speaker and to every one who contributed in any way to the planning and carrying out of these wonderful sessions, our sincere gratitude for a task well done.

We remember to return thanks most of all to our Heavenly Father for His great goodness in permitting us to come together in these services and to renew our covenant with Him and with His church as we enter upon another year as "Laborers together with God."
